Dear CertainTeed Siding Products Group Customer:

Overall costs for producing our products are expected to continue to rise faster than we can offset them through cost saving improvement projects in our manufacturing plants.

As a result, **prices will increase effective with orders received beginning March 1, 2013.** All orders received on or after this date will be billed at this new pricing. Orders received through February 28, 2013, with firm specifications and shipped through March 8, 2013, will be fulfilled at the current pricing.

Product category increases will be as follows:

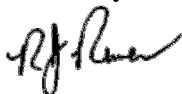

CertainTeed Polymer Shakes, Vinyl Siding, Soffit and Accessories	6-8%
Vytec Vinyl Siding, Soffit and Accessories	6-8%
WeatherBoards™ Fiber Cement	4-5%
Restoration Millwork® Trim	3-6%
EverNew® Railing	5-12%
EverNew® Decking	11%
CertainTeed Selects™ Fence	3-5%
CertaWrap™ Weather Resistant Barrier	3-5%

New price sheets with the specific details will be available in the next few weeks.

We anticipate that the end of February to be a very heavy shipping period. In order to ensure that you receive your price protected orders prior to the increase, we encourage you to place your orders as early as the second week of February. All orders will be subject to current lead times and available shipping.

Your Territory Manager will be personally following up with you to answer any questions. Thank you again for entrusting your tremendous support for CertainTeed Siding Products.

Sincerely,
