November 19th is your day to make a difference!

Tune in to 880 CKLQ and 94.7 Star FM on November 19th to hear more about this challenge and CACF!

Carberry and Area Community Foundation encourages residents of Carberry and Area to make a donation on November 19th as part of the **Endow Manitoba 24 Hour Giving Challenge**.

On that day only, The Winnipeg Foundation will stretch gifts made to the CACF Community General Fund. (For every \$5 contributed, The Winnipeg Foundation will add \$1.)

Online gifts can be made securely through www.endowmanitoba.ca. Please contact Carberry and Area Community Foundation for more giving options.

“This is a great opportunity to support Carberry and Area Community Foundation,” says Blair Graham, Board Chairman of Carberry and Area Community Foundation. “Of course, we welcome gifts at any time, but giving on November 19th will help our foundation and means extra support. We’re so excited to see what our community can accomplish!”

Gifts made on November 19th will help grow Carberry and Area Community Foundation’s capacity to support a wide range of charitable projects in Carberry and Area for generations to come.

Donations to a community foundation are pooled and permanently invested. Gifts are never spent and the money will always stay in the community. Every year, these investments generate money that is distributed to support local char-

itable needs. Community foundations provide support that lasts forever.

With 54 community foundations, Manitoba is home to more of these organizations than any other area of the country. Every year, these foundations invest millions of dollars into a wide range of local charitable projects. They help ensure our hometowns are vibrant and thriving.

Join the 20th Anniversary Booster Club!

In 1996, the Carberry and Area Community Foundation was created thanks to many things, one being the generous donations from the Founding partners. Their donations helped to get us off the ground and on our way to becoming the successful foundation we are today.

In 1999 and 2000 a campaign was initiated that was called the "Founder's Club". People who gave the Foundation a donation of \$1,000 or more received a plaque and inclusion in the Founder's Club. Donations came from seniors who had spent their lives on the Carberry Plains, young couples, corporations, a Hutterite Colony, and one was in honor of a former reeve. This campaign had brought in \$80,000 when it concluded at the end of 2000.

The Carberry and Area Community Foundation has grown substantially since its inception in 1996, now with more than 2.7 million dollars in assets. Just imagine where our community foundation could be in another 20 years!

As we celebrate CACF's 20th Anniversary, we invite you to be part of a legacy by joining the 20th Anniversary Booster Club.

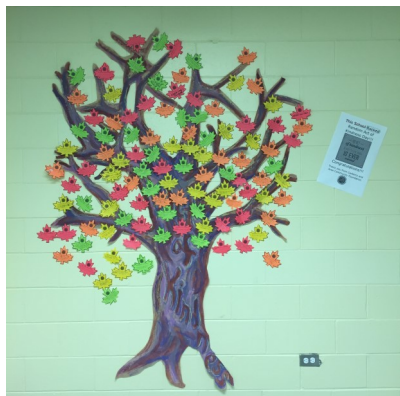

The Carberry and Area Community Foundation welcomes donations of any size to the unrestricted Community General Fund to honour our 20th Anniversary. Donors will be recognized on the CACF website on the 20th Anniversary Booster Club page.

CACF would like to express our gratitude to those who donate \$1000 or more to the Booster Club between now and December 31, 2016 on a commemorative plaque.

The people of Carberry and Area are proud of what their foundation has been able to achieve since its incorporation in 1996. Over the years the Foundation has been in existence many local charitable organizations have benefited from other's generous gifts.
