

# C.A.C.F. ANNUAL REPORT 2016

## Message from Carberry & Area Community Foundation Chairperson

2016 was the 20th anniversary of the Carberry and Area Community Foundation. The past twenty years have seen the fund grow to a remarkable 2.6 million dollars, and \$816,700 has been gifted back to the community. A true legacy.

The Masonic Lodge #29 from Carberry generously created a new fund with the Foundation and will provide a \$1000 scholarship for a worthy recipient who is graduating from Carberry Collegiate. We would like to thank the Masons for their many years of dedication and loyalty to the community.

In 2016 a total of \$67,031 was gifted back to our community. These grants were for projects supporting education, green space, health care, arts and culture, recreation, agriculture, heritage and community programs. Thank you to all of the organizations and volunteers who are dedicated to these projects.

We would like to say goodbye to Teresa McConnell who retired from her position of Executive Director. We thank her for her many years of dedication and work for the Foundation and its board members. We welcome Brianna Renwick as the new Executive Director and thank her for the seamless transition as she steps into the role. Thank you for making our job easier.

We welcomed Alice Wright, Kim Baron and Fokko Buurma to our board in January 2016. We said goodbye to Bev Papegnies and Alice Naismith in late 2016 as their terms as board members expired. Thank you for your loyalty and dedication to the Foundation as board members.

I would like to say thank you to all the board for their work in 2016 as we participated in the Carberry Fair and hosted a 20th Anniversary day for the Carberry and Area Community Foundation and its original founding members.

20 years has passed since the Carberry and Area Community Foundation originated. There has been consistent growth in the fund and in the gifting back to our community. This type of commitment allows our community to thrive for now and into the future. Please consider the Foundation as a worthy recipient if you wish to create your own legacy.

Sincerely,

Blair Graham

## Random Act of Kindness Day 2016

“Acts of Kindness are the little moments that have big impacts - and stay with you. They connect you back to your humanity, remind you how much love there is in the world, and feel so good that they inspire you to spread kindness yourself. We need to remember to look beyond ourselves, and see the need in others as well as ourselves. It can sometimes be hard, but it's completely worthwhile...because it only takes one kind act to powerfully affect us. The ripple effect starts with one. One person to hold open a door. One person to leave a note on someone's car complimenting their awesome parking skills. One person to write a thank you letter to a teacher. One person to be a spark of kindness when another really needs it.”

D. Galatiuk – R.J. Waugh Principal

On November 4, 2016 CACF partnered with R.J. Waugh School to facilitate Random Act of Kindness Day. Students were encouraged to commit random acts of kindness all week!

# C.A.C.F. Celebrates 20 Years!

The Carberry and Area Community Foundation had an amazing day at the Carberry Fair and Races on July 2, 2016 celebrating the Foundation's 20th Anniversary!!

Our 20th anniversary celebration was a huge success thanks to the support and dedication of CACF's volunteer board members. Without this board of nine putting their heads and hearts together, none of this would have been possible. It's this kind of commitment that would surely make the first and founding CACF board of 1996 proud.

CACF had a booth near the grandstand where we displayed some of our history, debuted our new brochure, distributed our July newsletter, handed out balloons to the children and had some great visits with Fair and Races attendees.

The Foundation celebrated 20 years by having anniversary cake in the Dining Hall with members of the Founders Club and past board members.

CACF was fortunate to have the opportunity to take the stage in front of a full grandstand in the evening on July 2 to promote the Foundation, and also accept a generous donation from Carberry Masonic Lodge #29.

Thank you to the Carberry Ag Society for allowing us to take part in your festivities and giving us the platform to promote CACF!!
