# Annual General Meeting

## Portage la Prairie, MB., March 3, 2012

Join us for the Manitoba Sheep Association Annual General Meeting.

### Featured Guest:

**Dr. Chris Clark, Assistant Professor**  
Western College of Veterinary Medicine  
Saskatoon, SK

Dr. Clark is one of four clinicians responsible for the supervision of the Large Animal Medicine service provided by the WCVN Veterinary Teaching Hospital. They deal with a wide variety of first opinion and referral cases of all large animals including; cattle, horses, sheep, goats, alpacas, and farmed game. Final year students spend two week rotations working in the Large Animal Medicine Service supervised by the clinicians. In addition to clinical work, Dr. Clark also teaches large animal and general medicine.

Dr. Clark's research interests are cattle lameness and the control and prevention of infectious disease. He has a particular interest in clinical pharmacology and is involved in the Canadian gFARAD initiative (Global Food Animal Residues Avoidance Databank).
