

JASON CROCKETT

A life devoted to service...

Jason Crockett serves this community with a passion. As an active Police Juror for District 5, Jason works to serve the needs of his constituents in Morehouse parish. He is in his second term.

Connecting education and community is important to Jason as he works with Prairie View Academy to actively support annual fund raising for charities such as St. Jude Hospital and with food drives at Thanksgiving. In addition to lending his time to these events, Jason created and provides funding for the Harriet Leachman Memorial Scholarship at Prairie View Academy and Bastrop High School to encourage students to achieve greater success through academic achievement.
