

Wanda Jeeter

We first meet Wanda when Mary Hartman is committed to an institution after her nervous breakdown. Wanda made Mary feel calm. Maybe Wanda wanted Mary to feel more than calm. There was definitely a little spark in Wanda's eyes.

Wanda's husband, Merle, was Fernwood's mayor and the two were well matched. Merle could con anyone, and sometimes conned Wanda, but she was just about the only one who could beat him at his own game.

Sometimes Wanda felt that Merle didn't care enough for her, or maybe not in the right way (wink, wink), so Wanda went looking for love with friend Lila. This dalliance lasted only a short while though, and Wanda stayed with Merle through the good times and the bad. And times were mostly bad with Merle.

Wanda was played by Marian Mercer.
