Breakfast meeting of the pilots

DATE: Tuesday March 27, 2018
TIME: 09:30
LOCATION: **Grill on Canboro Restaurant**

" The Report "

Well another gathering of the clan has happened and I might say was quite a success.

Enjoy a few pictures of the Pilots in action, in this scenario the action is a lot of tongue wagging.

From left to right in the back row, Doug Mais, Greg Norton a possible new member, Bob Winter and John DeNisco.

Here we have John DeNisco , Dave Harvey , Gilles Clement.

The "BALD SPOT " bottom, Tom Bateman !

Just a low light shot !

Big Paul Sharpe sitting by the window waiting for company.

Mr. happy guy Rick Young, warming up for breakfast.

Bottom right you will see Andy Fakla sitting beside Bill Foster, aka The Colonel, and Gilles Clement in the back ground.

In the foreground from left to right is Norm Turcotte, grey hat, Grant Wilson, Bill Henderson and that bald guy ?

These two guys seem to be on the slant.! On the left is Bob Wheaton and another bald guy, Steve Millson.

Now the first bald guy does seem to have a bit of white fuzz over the top and yes it would be Tom Bateman. Here we see Tom found the catch-up and maybe that's for the hair loss of maybe the home fries.

At a lower angle we can see that Tom does have hair after all and he is sitting next to the "NINJA" , Andy Fakla and then the Colonel to Andy's right.

A couple of long shots showing part of the group.

He I have featured Gilles Clement given me the " stink eye ", because I didn't have his membership card. Sorry Gill I will get it made up for you.

Then we have " The Man" big Ralph Neuman just leaning back watching the boys and waiting for the grub !

On every meeting of the group there is usually someone to pick on so today we will pick on Grant Wilson. If you want to know whether or not the food was OK, just check out Grant. If you want to know if Grant can make a decision or not just read on. Here we go !

Grant wants a Mustang but which one ?

Can't decide, get them both !

I half to turn , left, right, can't decide, shit I hit it !!

The Toy Box

Now were about to have breakfast !

Grant is stuck between bacon, eggs, home fries and toast, choice # 1 on the right, or, pancakes, sausage and stuff , choice # 2 on the left.

What the hell get them both !

The waitress was a little confused but soon figured him out & she piled it on without delay !

In the fore ground we see Grant digging in and enjoying them both.

In the back ground we see Bill Henderson guarding his meal just in case.

OK enough picking on Grant.

It is fair to say that the breakfast with the gang idea is a go. The Grill on Canboro seemed to work out just great. All 21 of the group seemed happy with the event so we will look to repeat it all sometime in the future.

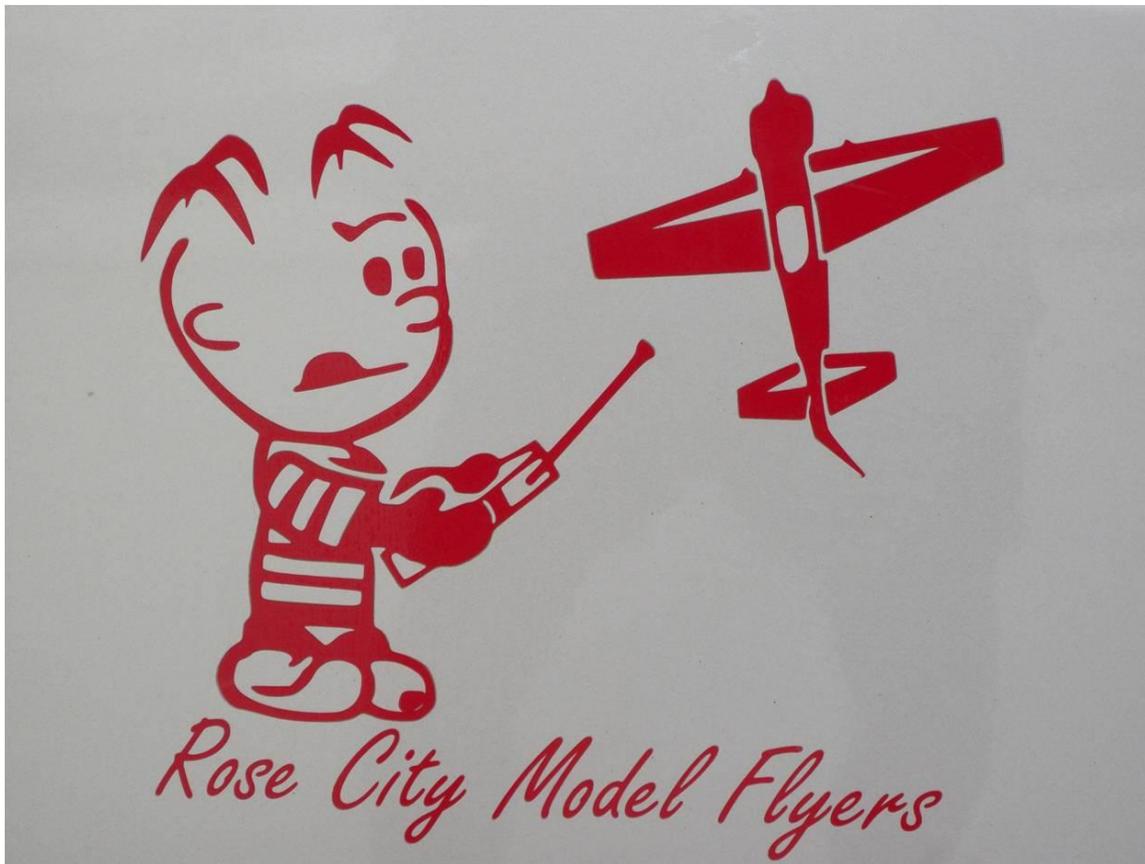

If you can make it out, then maybe we can pick on you !

Mean while we will wait for the weather to get just right and I will be setting up a " SPRING CLEAN UP WORK PARTY " .

Thanks to all that were able to attend and remember if there are questions or concerns regarding the Club , activities or events feel free to contact me at 905 - 736 9242.
