### **Breakfast meeting of the pilots.**

DATE: Tuesday April 24, 2018

Well it was a good breakfast with a bit of a meeting and a visit to the Fenwick Model Railroad.

We had 22 pilot members out for breakfast and 1 lovely lady that was able to join us. A big thank you to Sandee Gaylor for taking the time to be with us.

A further big thank you to Mark Leonard for arranging the visit to the model railroad club.

These pictures give some idea of the fantastic layout this club has. When I downloaded the pictures I was shocked to find out that I didn't take any pictures at the breakfast.

Old age got me again.

We did get to sing happy birthday to Andy, and I believe everyone had a good meal, good time and are really ready to get flying.

**Indoor flyers remember the AGM meeting on Saturday & Sunday April 28 & 29 at the Marriott in Niagara Falls. If you need more info call Andy @ 905 - 321 9099**
