Members:

The last Club breakfast for this year was great with 19 in attendance.

Larry said, ' that's a big breakfast ' !

Bill Park said he could only have toast as he had breakfast earlier. He did however, eat every piece of toast that came to his plate from the rest of us ! Billy's diet, ha ha ha

He also hit up Santa's helper for two candy canes, the promised gift for coming out.

I think Patty likes the candy canes !

All in all we had fun, good food and we are ready for the next event.

Three of us headed for the MAAC office to wish Linda & Rivka a merry XMAS from the Club, take them a little gift and a card..

Andy wanted to wear the hats.

We wore the hats !!!

I forgot the damn card at home so I had to mail it later.

That was the end of Tuesday December 11th and we will declare it a good day for Rose City Model Flyers.

Happy Holidays.
