

# Mary Curran

Mary Curran, Finance and Data Services Manager, came to Alternatives in 1999 with an extensive background in school and community involvement. Her passion is being able to craft – especially weaving together essential elements to ensure efficiency and harmony in the agency's programs and systems. She is married with two adult children, loves photography and being in nature, and is grateful for all of the opportunities working at Alternatives has brought to her in the past 20 years.
