

ING
Protection Plan Features

- **Choice of Beneficiary:** With the Mortgage Protection Plan that you choose, you decide who receives the proceeds from the program in the event of death. At such time, the beneficiary has several options. Three of which could be:
 - **Pay off the mortgage in one lump sum**
 - **Invest the benefit and continue to make mortgage payments**
 - **Make a partial pay off of the mortgage and invest the remainder**
- **Portable:** If you sell your home and buy another or refinance your present home, this plan can simply move with you to continue to protect your next mortgage. This means regardless of how many times you move, you will never need to qualify for another plan or risk losing the one you have.
- **Death Benefit Remains Level:** The death benefit remains level for the length of your mortgage protection. With many plans, the benefits decrease each year while the premium remains the same.
- **Guaranteed Rates:** Premium rates are guaranteed for the full length of the term.
- **24 Hour Coverage Accident or Health:** Unlike many mortgage protection plans, this will pay benefits regardless of whether the death occurs from accident or sickness.
- **Free Accidental Death Benefit:** 50% of face value if you die as a result of an accident.
- **Unemployment waiver of premium:** Waives premiums for six months if the insured becomes unemployed.
- **ERS:** Emergency Response System guarantees that your policy claim will result in payment to your beneficiaries.
-
