

# Briarbrook Village

## Electronic Notification

### Application

One of the primary goals of the current board is to maintain, and possibly reduce, homeowner costs. We can begin by reducing the number of documents that have to be printed and mailed via the USPS to every homeowner (161 Lots).

We have set up a new website for the community for the purpose of reducing costs and keeping everyone informed more timely. Please go to [www.bbvhoa.com](http://www.bbvhoa.com) and save this link to your favorites. Here you will find links to all the association documents as well as current events.

If you share our idea of maintaining costs, please complete the below:

I, \_\_\_\_\_ approve the use of  
(print name)  
electronic notification, in lieu of USPS mailings, from the BBV Board or management company via email.

Email address: \_\_\_\_\_

All homeowner email addresses will be maintained solely for the use of mass notification by the Board or management company and utilized in a "blind copy" format on all emails.

\_\_\_\_\_  
(Homeowner signature)

\_\_\_\_\_  
(Lot #)

Please send to Kristy Page, Property Manager, via email at [kpage@omni-property.com](mailto:kpage@omni-property.com) or fax to **317-541-0002**.
