BUILDERS NEWS

July 2016

Dear Members and Friends,

We can all start to breathe again after an exciting championship run the Cleveland Cavaliers just completed. The curse of Cleveland sports has been lifted and I can finally get to bed on time!!

I want to thank all who attended the steak fry as well as my fellow board members who helped grill up the steaks. We had a great turn out and beautiful weather.

Summer is here and our upcoming two events will give us a chance to get outside and enjoy the beautiful weather.

Our golf outing will again be a partnership with the Greater Ashtabula Chamber of Commerce on Friday, July 15th, 2016 at Chapel Hills Golf course. The event will kick off with a noon Shotgun start and finish with a great dinner and awarding of prizes. If you have not already filled out your entry form please get them turned in promptly. We are also still looking for hole sponsors, contact Michelle Laveck if interested in sponsoring a hole on the course. Our second summer event, the summer social, will be held at Laurello Winery at 6 p.m. on August 11th, 2016. The dinner menu sounds fabulous and we all know about the wine! As another treat to the evening one of our own board members and past president Joe Oros is scheduled to play that night with his band H2O.

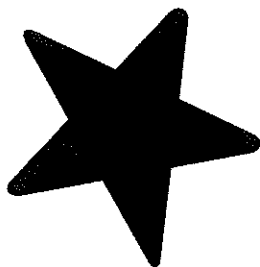

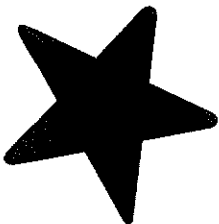

I would like to welcome Michelle Bradley from JE Heating & Cooling to the board. I want to thank her in advance for taking the time out of her busy schedule to help us on the board. We still have openings on the board as well, if you would like to join us on the board contact any board member to get involved.

Last but not least, I want to wish everyone a safe and fun summer. Hope to see you on the course in July!

Sincerely,

John Hogan, Vice-President

BANKER BOB'S CORNER

Strong Man on the Job

The strong young man at the construction site was bragging that he could out do anyone in a feat of strength. He made a special case of making fun of one of the older workmen. After several minutes, the older worker had had enough. "Why don't you put your money where your mouth is," he said. "I will bet a week's wages that I can haul something in a wheelbarrow over to that outbuilding that you won't be able to wheel back." "You're on, old man," the braggart replied. "Let's see what you got." The old man reached out and grabbed the wheelbarrow by the handles. Then, nodding to the young man, he said, "All right, Get in."

Unprepared Highway Crew

One morning a local highway department crew reached their job-site and realized they had forgotten all their shovels. The crew's foreman radioed the office and told his supervisor of the situation. The supervisor radioed back and said, "Don't worry, we'll send some shovels ... just lean on each other until they arrive."
