Hello Friends,

Our April General Meeting featured Mr. Jonathan Lee founder and CEO of Signature Health. He gave an excellent presentation on drug addiction in the workforce. He included how Signature Health operates and how they help those in need of counseling. It was great having him.

May 6 is our big Reverse Raffle. We have so many great items to raffle off, including 4 Cleveland Indian tickets donated by Signature Health, a 60" Vizio Smartcast TV, gas grill and much more. Hope to see you there!

Coming up June 8th will be our Steak Fry at the Elks. Friday July 21, 2017 will be the date of the Greater Ashtabula Chamber/Ashtabula County Builders Annual Golf Outing, held at Maple Ridge Golf Course. Details are attached.

The Ashtabula County Safety Council and A-Tech are presenting a class on Controlling Worker's Compensation Costs on May 31st. The information is attached if you would like to attend.

Controlling Workers' Compensation Costs

Who should attend?

- Individuals employed at companies insured under the state insurance fund who are interested in controlling workers' compensation costs should attend.
 - This may include employees from human resources, payroll and benefits, workers' compensation administration, loss control, safety and OSHA compliance.

What you will learn:

- A basic understanding of how BWC determines workers' compensation rates and the costs that drive them;
- How claim costs impact your rates;
- Rating plan options;
- Strategies to control costs, such as loss prevention, administrative, early return to work and other claims management controls;
- An overview of safety culture, with an emphasis on a leadership-supported safety culture, employee involvement and accident prevention.

After this course, you will be able to:

- Compare and understand rating plan options.
- Use strategies to control costs.
- Describe the elements of an effective safety culture.
- Manage claims effectively.
