Hello Friends,

We would like to thank all of the people that attended the Ashtabula County Builders Association Reverse Raffle. Because of your generosity we were able to raise over \$10,000 for the Builders Association and Community Care Committee of Andover. We would also like to thank all of the people & companies that donated either their time or gave a door prize because these are the things that make our reverse raffle successful. Please take note of the list of people/companies that donated toward this special event and, if you can, patronize their businesses. Thank you!

One June 8th we will be holding our annual Steak Fry at the Elks Club. The Board of Directors for the Builders are cooking for this event, as in the past, and we look forward to serving all that attend. This is probably one of the best meetings to bring guests to as it is a relaxing evening full of networking and connecting with other business people in the area. Please make your reservation as soon as possible so we can prepare for your attendance.
