Happy Holidays Members and Friends,

Thank you to everyone who attended our annual meeting in November. Hopefully everyone in attendance is pleased with our current status. Outgoing President Calvin Brown reported on all the events we held for members and guests. This year included the best reverse raffle yet. We were able to raise over \$6000 for the Community Care Committee! Rich Vanek, Treasurer also reported that the Builders Association is in good standing financially.

A motion by those in attendance and via absentee ballot, voted to remain at the Gold tier membership level with Growth Partnership. The annual assessment will remain at \$80.00 per year per member and will be sent in January.

Members also had the opportunity to vote in the Board of Directors. All directors who's terms were ending, were reelected. Congratulations!

January's meeting will feature Gary Hanson Jr. of American Safety & Health Management Consultants, Inc. Gary will be discussing silicon dust and safety training/OSHA record keeping. Please see page 2 for more information. Dinner reservations are being taken now! Go to the web site, email or text us.
