Greetings Members and Friends,

We would like to thank all of those who came out to the Builders Annual Steak Fry at the Ashtabula Elks Lodge in June. It was a delicious meal and we had the added bonus of a round table discussion with the Ashtabula County Building Department. Thank you to Todd Nagy for wanting input from the members to find ways to improve the Department. Thanks also to the County Commissioners. We appreciate the open line of communication you provide with the County building businesses.

Coming up next will be our Annual golf outing in conjunction with the Greater Ashtabula Chamber of Commerce. There is still time to sign up your team! If your looking to get your name out there, become a hole sponsor! We are also needing donations for gift bag items. Please consider helping out with this always fun event! Sign up with attached flyer.

On another note, the Ashtabula County Business Exchange are having a Banker Bob Hegfield Scholarship Memeorial Fundraiser. Please try to make it out July 18th to the Crosswinds Grille to help support his memory. See attached flyer for details. Banker Bob was a great asset to the Builders Board and we salute his memory.

For those of you who didn't know Bob Hegfield, we hope this explains why we want to honor Bob's memory with a scholarship in his name. Bob was born and raised in Ashtabula and remained a lifelong resident. He spent his career in the banking industry and was known among his friends as "Banker Bob". He had a strong sense of civic duty and was an active member of his church. He was a family man, married for thirty-three years. Bob was also a "car guy".

In all the comments about Bob, one common theme stands out: he was an incredibly likeable guy. He was genuinely interested in what you had to say and eager to help you if needed. Bob invested himself in your success and the evidence is all over Ashtabula County from homes to small businesses. Spend some time with him and comment about the crazy tie he had on that day and he would inevitably say he was known to "tie" one on, followed by the wry smile with the mischievous twinkle in his eye – all that would be missing was the drum rimshot. Bob was both serious and fun to be around, traits that are often contradictory, but that's one of the things that made Bob such an endearing person to those who knew him.

His passing was unexpected and we still miss him. This scholarship is our small way of keeping his memory alive.
