Hoof Hearted

Hoof Hearted is a thick formula liquid hoof conditioner.

Proper hoof care and hydration is essential for hoof health and long term soundness. Hot, dry weather, and frequent changes from wet to dry, can result in brittle feet, weakened walls and hooves susceptible cracks, injury and infection. Hoof Hearted provides a unique blend of natural oils and lubricants to help prevent moisture loss and maintain hoof health and strength.

Tall oil, also called "liquid rosin" is a viscous, odorous liquid obtained from the pulping of coniferous (pine trees) and together with lanolin, neatsfoot and mineral oil, help keep the foot healthy and hydrated.
