PLEASE NOTE

Upgrading your hunt, while not required, is certainly appreciated by our donors. If you do not want to add another animal, consider bringing along a friend. This really helps out these outfitters and hunting companies that are trying to help us! With few exceptions, these donors are not wealthy philanthropists, but rather donate to help wildlife, ensure the future sport, and generate new business for themselves. Please do what you can to help!

If you buy a hunt at our auction that the donor fails to provide for you, through no fault of your own, we will make arrangements for a replacement hunt or will issue you a credit. If you simply find it inconvenient to go on the dates available, or change your mind for some reason, then it is to be worked out between you and the outfitter.

In order for the committee to provide each outfitter with the auction results we ask that you wait two weeks to contact them so that they have all of your information prior to the call.
