

BIRDING ~

www.africanspringssafaris.com

This is probably one of the most highly recommended bird books if you are looking at purchasing one for your safari. You can find it online on several websites including Amazon/Amazon Smile or if you wanted to include the cost of this in your safari payment we could pick it up for you and have it when you arrive

*If you are wanting to do a birding trip or birds are high on your bucket list be sure we know so that we can provide you with a driver/guide that specializes in birds.

*Kenya has the second-highest record of birds in Africa
