

Vehicles ~

www.africanspringssafaris.com

The vehicles that we use are 4x4 land cruisers with hatch roofs that open-up for better game viewing and pictures taking. They comfortably seat 7 clients. Our drivers are professional certified guides that speak English.

Costs include fuel, park fees for driver/vehicle, driver allowance, unlimited miles and game drives that are *personalized* for our clients.

We can obtain:

**Larger overland trucks that seat 26 people and have extra luggage area for bigger groups and mission/service trips.*

**Smaller vehicles, 4x4 SUV's, shuttles and busses*

**Taxi pick up/drop offs*

We can book/reserve:

**Flights, shuttles, taxis, and trains*

**Please note that different countries have their own rules and regulations dealing with the types of vehicles allowed in their parks.*
