**It's all over but the voting...not quite!**

Early voting has begun and Election Day is November 8. Yes it is time to vote but there is still time to help Get Out The Vote for our Dallas County candidates, our Republican Ticket! You can still help the DCRP Victory effort by making phone calls, volunteering to be an alternate election judge or poll watcher on Election Day, or by sending postcards and poll greeting on behalf of candidates. Don't assume that all of your friends have voted. Make your personal friends GOTV list and check them until they confirm they have voted. THIS ELECTION IS THAT IMPORTANT!

As I early voted today I was proud to see half a dozen of our Republican women working at the early voting location. If you are not working early voting, please join us on Nov. 1 at Churchill Recreation Center for our last DCCRW program meeting of the year featuring a "political pundits panel" and our business meeting to elect DCCRW officers for 2017.

Thank you for all that you do to promote our conservative message and Republican principles. Don't stop now...let's bring this across the finish line with VICTORY on November 8!

#### **ObamaCare premiums set to rise sharply**

Republicans blasted the White House on Monday after President Obama's administration announced premiums for his signature health care law will rise sharply next year and many consumers would be down to just one insurer.

Republican presidential nominee Donald Trump, while campaigning in Tampa, Fla., emphatically declared ObamaCare "over."

Trump added that his Democratic rival, Hillary Clinton, "wants to double down and make it more

expensive and it's not gonna work. ... Our country can't afford it, you can't afford it." He promised his own plan would deliver "great health care at a fraction of the cost."

### Average Obamacare premiums to rise 22 percent

When the Affordable Care Act's fourth enrollment season begins Nov. 1, consumers in the 38 states using the federal healthcare.gov marketplace will see median prices for the cheapest plans in the middle silver tier rise 16 percent. Average rates in those plans will rise by 25 percent and by 22 percent when factoring in three state-run marketplaces for which data were available.

There also will be a sharp reduction in insurer competition next year, as some of the country's largest companies have scaled back their marketplace participation or withdrawn altogether, under heavy financial losses from new enrollees.

**Volunteer for Victory!**

We are launching our **Victory Campaign** and are depending on our wonderful Club members to help support our local candidates as well as Trump/Pence, by contacting voters through phone banking and block walking. We have made it more exciting by offering clubs with the top participation some fabulous incentives.

Dallas GOP will give a first place award of \$1,000, a second place award of \$700, and a third place award of \$300 to the clubs who have achieved the highest points.

Here is how it works: Points will be tallied between now and Election Day. Clubs earn 1 point per call and 4 points per completed survey. The club with the highest overall points will be awarded prizes to their club or respective charity. This is a great incentive to get your club involved!

Chairman Huffiness wants our phones buzzing and reaching voters every available minute between now and Election Day. My goal is to make certain that the phones are manned at all times.

We have three call center locations spread throughout the county for this purpose:

- Western Dallas County: 626 N. MacArthur Blvd. Irving, TX 75061 (with Team Anderson, 10 phones)
- Central Dallas County: 10300 N. Central Expressway, Suite 345 Dallas, TX 75231 (with DCRP, 20 phones)
- Eastern Dallas County: 117 W. Main St. Mesquite, TX 75149 (with Team Sheets/Burkett, 10 phones)

Calls can be made during regular business hours (9:00 AM-5:00 PM) Monday through Friday. Currently we have call nights on Tuesdays and Thursdays (5:00PM-8:30PM) at all three locations, with extra days added at Dallas GOP HQ (see calendar or call). Please ask your club members to volunteer for this very important election.

Please feel free to call me if you have any questions.

Sincerely yours,

Lynda E. Bauer

News from TFRW

### **TFRW Newly Adopted Legislative Resolution for the 2017 Legislative Session**

One of the goals of TFRW this term is to broaden our influence in the Texas legislative process. At the Board of Directors meeting held in Austin on October 22nd, the Board voted unanimously to approve the first legislative advocacy resolution of this term.

This resolution, entitled, "[Promoting Free Speech and Transparency In Elections](#)" follows the example of the late United States Supreme Court Justice Antonin Scalia when he said, "Requiring people to stand up in public for their political acts fosters civic courage, without which democracy is doomed."

TFRW will be working to encourage legislation that brings the dark money of those wishing to influence your vote into the light. Big money forces like George Soros should not be allowed the opportunity to sway our

elections by skirting the reporting laws that candidates and political actions committees, such as our clubs, must follow.

TFRW will not seek to curtail, in any way, the ability of any organization to advocate for candidates or issues that it deems important, we are simply seeking to foster an atmosphere of transparency that helps to inform Texas voters.

The Board felt it was important to maintain the conditions by which churches and organizations which are primarily engaged in charitable works would continue to be exempted from any additional reporting obligations.

The TFRW Vice President - Legislation, Michele Samuelson, will be developing a Legislative Advocacy program that clubs may use to assist in this important mission.

News from NFRW

**NFRW President Affirms Unified Support of Trump**  
**'We stand behind the Republican ticket!'**

ALEXANDRIA, Va. - "As the elected spokesperson of the most influential group of Republican women in the United States, I reaffirm the National Federation of Republican Women's unified support of Republican Presidential Nominee Donald J. Trump and Vice Presidential Nominee Mike Pence. We stand behind the Republican ticket, and we will continue to work day and night to defend our Constitution, uphold our conservative principles, and elect our GOP candidates," NFRW President Carrie Almond stated today.

"With 30 years of Hillary Clinton history as a guide, we knew an onslaught of attacks would be coming from the Clinton Campaign, and as suspected, here they are. Hillary Clinton, together with her husband, will stop at nothing to get what they want," Almond said. "And what they want for themselves is to be back in the White House. What they want for us as citizens is an even more disturbing reality. Another Clinton in the White House means more regulation, higher taxes, the end of our civil liberties, skyrocketing energy costs, open borders, increased pressure on a fragile economy and a military so

underfunded and demoralized that our troops and our nation will be left exposed and vulnerable. And that's not even the worst of it.

"Hillary Clinton will nominate liberal Supreme Court justices that will control the third branch of our government, the effects of which will be felt for generations. She restated in last night's debate her support of abortion on demand and her commitment to trampling on the 2nd Amendment. We must not let that happen.

"Our organization of thousands of women from all 50 states, from every walk of life, are steadfast in our very clear understanding that Hillary Clinton does not represent us; not as women, not as Americans," Almond said.

Almond will continue taking this message of Republican unity to the grassroots as the NFRW's nationwide "Destination: White House" campaign tour -- featuring Rosie the RV -- rolls across the nation through Election Day. For details about this tour, visit [Rosie16.com](http://Rosie16.com).

Founded in 1938, the National Federation of Republican Women is the largest and most influential Republican women's group in the nation. The NFRW ([www.nfrw.org](http://www.nfrw.org)) proudly represents the party that first made it possible for women to vote in the U.S. Today, the NFRW works to increase the effectiveness and relevance of women in the cause of good government. Our mission remains to recruit and elect Republican candidates, promote the principles of the Republican Party, educate the public and inform the media.
