President's Message

Members –

If you missed the story on WFAA about Patriot Paws service dogs and the women inmates who train them to serve disabled veterans, you should watch it now.

(<http://www.wfaa.com/news/community/inmates-vets-find-new-hope-through-service-dog-program/436874411>) As the story points out, inmates and veterans may be two extremes of society but this training program gives new meaning to life for both.

The Texas Federation of Republican Women and the 2017 Convention Committee (chaired by our own Kit Whitehill of Coppell RW) has chosen Patriot Paws as the charitable component for our 2017 biennial convention that will be held in Dallas, Oct. 19-21. The initial plan was to raise donations through our clubs for Patriot Paws with the goal of raising \$30,000 by convention time – the cost of raising and training one dog for a veteran. The service animals are presented to the veterans FREE OF CHARGE and the wait list of veterans needing service animals is extensive. Well, by the time Belles & Boots conclude at TFRW's Legislative Day events in April, the goal had already been met! Additionally, Lt. Governor Dan Patrick pledged to help raise another \$30,000 for TFRW and Patriot Paws. We hope that our clubs will continue to "pass the hat" and collectively raise

Our #1 goal now is to KEEP TEXAS SOLID RED. Failure is not an option. ...

... Remember, the left is now coaching their member groups and candidates in non-partisan races to never admit that they are democrats, but rather to label themselves as "conservatives".

Another place you can go to understand the left's agenda is [March On Texas](#). Here you will see the networking that they have set up in Texas, and how easy they make it for voters to find "progressive" candidates. Take note that they say - right on the website's landing page - "The May 6th General Election will fill seats on local school boards, city councils, and mayoral offices. The path to turning Texas blue starts at the local level - so get out and vote, and take your friends.

"WE MUST TURN OUT OUR REPUBLICAN VOTERS ON MAY 6TH, AND FOR EVERY ELECTION.

My recommendation continues to be that you should verify the voting records of anyone claiming to be "conservative" as well as search the TEC online database to see their donation tendencies. Your county party will help you verify voting records.

Virginia Prodan, SREC Committeewoman from SD 16, has written a book, ***Saving My Assassin***, from Tyndale House Publishers.

Virginia comments, "I hope and pray my book will change minds, hearts and votes of many people - as they will discern the horror of the Communist system and the consequences of living in a society without freedom to worship God.

"America is still the greatest country! As we recognize God's leadership, blessings and prosperity on US!"
