Dallas, Texas (January 5, 2014) --

## **Pat Reid Named Anita Hill Winner**

The Dallas County Council of Republican Women has named Pat Reid as the recipient of the 2013 Anita Hill Lifetime Achievement Award. The award honors an outstanding Republican woman who has consistently supported the candidates, goals, and values of the Republican Party. Mrs. Reid has been interested in politics and government since before she could vote, and has volunteered her time and energy for Republican causes and candidates for many years.

She is a member of the Northwood Republican Women, where she has served as president, as well as in many other offices. She has received many awards including the Northwood Republican Women's Distinguished Service Award, the Texas Federation of Republican Women's Tribute to Women and the 2011 Volunteer of the Year in District 8.

In addition to her work with Republican candidates Mrs. Reid has welcomed the troops at DFW, has volunteered at Family Gateway, is active in her church, and has been a part of many other community activities. She truly embodies the spirit of the Anita Hill Award.

The Dallas County Council of Republican Women names its annual Anita Hill Honoree at its Holiday Tea and Installation of Officers in December. The award is named after State Representative Anita Hill, who served in the Texas House from 1977 to 1993. Representative Hill was known for her work on behalf of children and the elderly, which included nursing home regulation and the use of children's car seats.
