DCCRW Meeting, April 3, 2012 Dallas County Republican Party headquarters 9:30 coffee; 10:00 meeting

Catherine Engelbrecht

Founder and President, True the Vote and King Street Patriots Catherine Engelbrecht is a wife, mother, business owner, native Texan, newcomer to politics, and lifelong practitioner of common sense. In 2009, Catherine started King Street Patriots to support and defend American exceptionalism, Constitutional governance, and civic duty. From King Street Patriots came the True the Vote initiative, a citizen led effort to restore honor and integrity to our electoral system. True the Vote's nonpartisan election integrity program takes a comprehensive approach to ensuring free and fair elections. They provide the state-specific training, technology, and support necessary to fully equip citizens for participation in the electoral process. Thousands of poll watchers have been trained and mobilized by True the Vote and their research into voter registrations and rolls has supported thousands of citizen challenges, providing empirical evidence of problems in our registries ranging from inaccurate voter data to systemic and intentional fraud. True the Vote is currently working with 30 states, with emphasis in select states and counties known to have historically problematic election processes.

Quote of the month: "We must educate, mentor, and spread the Republican philosophy and message. It is the same message for which our Forefathers fought."

President's Message

Deborah
Guerriero

Proud to be a Dallas County Republican

I am very thankful to and proud of all our wonderful candidates that have stepped up to the plate. We must help them in their efforts to take back our County! We have the opportunity to make at least a few changes in very important areas and move forward from that point. I know that each of us has a caring and giving heart, but we must also demand accountability to those that are taking money from Dallas County.

I feel that much needed funds have been misappropriated for non-citizens through all of the entitlement programs. Our Dallas County Residents need to be first on the list for help with resources available to everyone in need.

If we do not take back Dallas County this year I am fearful that we will continue to be "Blue"... which is a result I am certain no one wants. I have no doubt that each of you will continue to work hard after the Primary and support the Candidates. I am sure that all are aware that this will take old-fashioned boots on the ground or for you younger people, pedal to the metal, phone calling, contributions and support of any kind in many areas.

- Working your Precinct – help your Precinct Chair walk if they are not able
- Give of your time to make phone calls, stuff envelopes or help with any mailing
- Sign up to be a Poll watcher – a very important part of this election to insure Ballot security

These are our starting points that will help bring our County back to a new beginning.

Ever concerned, always willing to help,

The Richardson Republican Women hosted a Membership Tea on February 25th at the Canyon Creek Baptist Ministry. The tea was well attended and everyone seemed to enjoy the fellowship. The speakers Steve Munisteri, State Chairman of the

Republican Party and Borah Van Dormolen, National Committeewoman, Texas did a marvelous job inspiring the club members and guests. They spoke about the urgency of action we need to apply to this election. We have a wonderful country and we have to work to keep it free.

Voter ID Law as biased

Oral arguments on Obamacare will be heard
March 26-28

Heritage Foundation has listed 10 Startling
Provisions in Obamacare:

- It increases taxes on families earning over \$250,000
- It adds a new tax on investment income
- It imposes new limitations on those with Health Savings Accounts and Flexible Spending Accounts
- It adds a new tax on those who purchase medical devices
- It penalizes marriage by allowing for more taxpayer-funded subsidies for single individuals
- It violates religious liberty
- It puts Medicare decisions in the hands of an unelected board
- It imposes a premium tax on health insurers
- It creates a new, unsustainable entitlement program
- It puts over half of all Americans on a government program

Former President Reagan's favorite verse was 2 Chronicles 7:14; *"If my people who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."*

Please be sure to pray we will see Obamacare found unconstitutional and that this Administration will be defeated.
