Minister's Moment

I would like to begin by expressing my gratitude toward everyone who has made it a priority to attend our Trailhead Orientation Class. The response has been fantastic! Thanks for being flexible and accepting our changing up our adult Sunday School for this important season. I'm thrilled and honored to be serving along side this church family and a group of elders who value the importance of our being unified around a common mission, core values, and fundamental doctrines.

This weekend we will be concluding our *ICONS - Life-Lessons from Legendary Biblical Figures* series with a sermon on the Old Testament personality of Caleb. He was an octogenarian filled with faith and energy. Together, we will peer into his life and learn that it is never too late to begin making the rest of our years the best of our years!

I truly hope to see you and a friend Sunday!

Sex Trafficking

Are you aware that human trafficking is fast becoming more profitable than the drug industry? This heinous crime is more prevalent and hits closer to home than imaginable. Our Naomi Circle will be hosting a speaker from Gracehaven of Central Ohio on Tuesday, March 5th @ 7:00 PM. All ladies are encouraged to attend this important meeting and learn how to better protect the children and teens of our community.
