

Dear RHS Faculty, Staff and Administrators –

We are excited to announce plans for **Project Graduation for the Class of 2013 at Rudder High School**. Project Graduation 2013 will be right after the graduation ceremony on Saturday/Sunday June 1<sup>st</sup> /2<sup>nd</sup> from 11:00 p.m. to 5:00 a.m. at RHS. This is a substance-free, safe event for our Seniors to celebrate their accomplishments and to send them off to the next chapter in their life. Mr. Piatt has always encouraged parents and faculty to work together for student success and he continues to do that as we celebrate the soon to be “third graduating class from RHS.” For this reason, we would like you to participate in Project Graduation 2013. You could do as much or as little as you like, so long as you do help in some way. If you are willing to help out, please fill out this form and return it to Project Graduation 2013 mail slot no later than April 30, 2013. You are also encouraged to attend the next PG13 meeting on Thursday, April 18<sup>th</sup> at 5:30 p.m. in the RHS Presentation room to discuss the event and committees. Thanks so much for your help and for volunteering!
