## Grand Knight's Report

Brothers,

I hope you the good Lord is keeping you well despite the challenges that we face every day in our lives. As you are aware, I am away from the country. "Thank You" to all our Brothers who came out to support the activities of our council and to help raise funds for of our parish and also to the organizers and our parish community that continues to support us in all our efforts. We have so much to be grateful for and we thank God for all his blessings.

Lent is just around the corner. How will you and your family take advantage of this season to grow in holiness and build a strong bond with our church? Family Prayer Night is a great way to introduce or re-introduce prayer into your home. Brothers, to continue spreading the good news that, Knights of Columbus are men that put their faith into action, a new *Faith in Action Booklet* have been developed. This palm-sized, 6-page booklet gives a succinct overview of the Faith in Action program model and is a great resource to give to new and potential members.

The Knight of Columbus Charity Raffle Tickets are now on sale. We planned to sell tickets after church services. I also would like to encourage all our brothers to help, and to assist in selling these tickets.

This year Special Olympics is celebrating its 50<sup>th</sup> Anniversary along with a 50 year partnership with the Knights of Columbus.

The K of C Flag Relay for Special Olympics, which involves moving 24 flags from District to District to raise both public awareness and funds, began on January 7<sup>th</sup>. It will run through until March 25<sup>th</sup>, at which time a Special Olympics public awareness media event, involving both law enforcement agencies and the Knights of Columbus, will be held at 50 locations across the province of Ontario. (Locations to be announced).

We should continue to pray for our sick Brothers, our parish community and the people in Yemen Venezuela, Syria, and other parts of the world who are facing trying times. The power of prayer has the ability to heal, perform miracles and also to restore peace in our time.

I would like to thank Fr. Thomas and Fr. Canisius Raj for their guidance, and their continuous support of our council. If you know of any Catholic young men that are interested in joining the Knights of Columbus Council 8842, I would be happy to speak with you.
