**November Month of All Souls...**

The names of the deceased may be written on the envelopes provided and placed in the Memorial Prayer Box. The deceased will be remembered in all the Masses celebrated during November.

*Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of the faithful departed, through the mercy of God, rest in peace.*

**Shepherds' Trust Collection**  
**November 16<sup>th</sup>/17<sup>th</sup>**

As members of our Catholic community, we regularly benefit from the tireless service of our priests. Called by God and ordained to care for His people, our priests serve our families, in churches, schools, hospitals, nursing homes, missions and on the streets.

The Shepherds' Trust ensures our priests can live their retirement years with dignity.

For many of our retired shepherds, this means, "lending a hand" to accommodate their special needs so that they continue to live with dignity.

**The Shepherds' Trust collection will take place in all parishes in the Archdiocese during the weekend of November 16/17.**

This fund does more than just support our priests in their retirement years; it is a tangible way to care for those who always cared for us and give thanks for the blessings we have received through them. Your generosity is greatly appreciated.

Through his exchange with the Sadducees, Jesus gives a glimpse into the life of the resurrection. What can we know about it? What should we expect? How should we prepare? What will happen to our relationships through the resurrection?

In his answer, Jesus escapes the boundaries of anything his audience had ever heard. He describes the resurrection as a call to a bigger life. To live in God is more than a mortal existence: it is an active participation in God's salvation for the world. This resurrection, understood as life in God, is sustained by a renewed relationship to God, ourselves and others.

That is why our hope is in God who renews the world. A hope not just in something that may not be, or in something that has long since past, but a hope rooted in a relationship that continues to transform us every day.

When we view the past, present and future in light of the resurrection, we are in solidarity with those who have gone before, those who journey with us now, and those who are yet to come. It is the "bigger picture" and a shared mission with the saints to help transform the world by the love of God that transforms our own hearts. Even now, in God "we live and move and have our being." (Acts 17.28)

~ Kelly Bourke, *Living with Christ*

Dopo i farisei e gli scribi appaiono nuovi avversari di Gesù: i sadducei. Essi negavano la risurrezione come pura chimera umana e hanno adottato contro Gesù una diversa strategia di lotta. I sadducei temevano che l'affluenza delle folle verso Gesù potesse trasformarsi in agitazione politica che i Romani avrebbero soffocato brutalmente. Perciò miravano a limitare l'influenza di Gesù sulla vita pubblica. A questo scopo, hanno raccontato una storia di loro invenzione sui sette fratelli e la moglie del maggiore fra loro, ripromettendosi così di mettere in ridicolo Gesù e la credenza nella risurrezione. In realtà, la derisione si è rivolta contro gli avversari di Gesù. Egli dimostra infatti che il mondo futuro non è il prolungamento di questo, afferma che la morte sarà vinta e che coloro che risusciteranno avranno parte alla vita di Dio e non saranno più sottomessi alle leggi biologiche di questo mondo. Nel seguito del discorso, fondandosi sull' Esodo (Es 3,6), libro che i sadducei consideravano sacro, Gesù presenta un argomento biblico sulla vita eterna: "Dio non è Dio dei morti", e lo sarebbe se Abramo, Isacco e Giacobbe non vivessero più. Ma essi vivono e rendono gloria a Dio. Ciò significa anche che solo chi vive per Dio, vive davvero. Dio invita tutti gli uomini alla sua casa paterna, perché desidera che noi tutti beneficiamo con lui della pienezza della vita nell'immortalità.
