## **Grand Knight's Report - Br. Douglas McRonney-Apaw**

Brothers,

It gives me a great pleasure to inform you that our "Turkey Draw" for Thanksgiving was a great success, and many thanks to the chairmen of the turkey draw raffle Brothers Phillip Mantenuto and Odain Knight. I am very grateful and thankful to other brothers, who volunteered their time to help and sold tickets and to our parish community that supported our efforts to raise money to help the families in our community. We have so much to be grateful for and we thank God for his blessings.

The installation of the Officers of our Council took place on October 16, 2017 and we were happy to have Worthy District Deputy Art Policarpio and Rev. Father Thomas in our presence for the ceremony and to grace the occasion. I am also pleased to let you know that Brother Fulvio Iannotti has accepted the position of Lecture and Fraternal Chairman of our council.

The Mass for our Deceased Brothers will be held on Saturday November 11 th , in conjunction with Remembrance Day services. "Lest we forget", and remember that they shall never grow old as those of us shall grow old. Please remember our brothers in your prayers. We are looking forward for all brothers and their families to attend this mass. As Knights of Columbus, our fraternity mission is to make a difference in our communities.

The Membership Drive for our council will be held on Sunday November 5th, and all brothers are encouraged to come and take active roles to help the Chairman Br. Chris to make this drive a success.

We also need brothers to come out and volunteer in activities and to help our parish community.

Our Annual Children Christmas Party will be held on December 3 rd following the 12:00 o'clock Mass. Please come out and help the chairman Br. Ben to make it fun for the children.

The St. Vincent de Paul Food Drive campaign has been launched, and we need brothers to donate non-perishable food to this cause during the months of November and December. The sorting of food will be in the Church basement on Friday December 15th at 7:30 p.m. and delivery of the Christmas baskets will be on December 16 th at 9:00 a.m. We would appreciate your help, if you are available, on Dec. 16 th to drive some of our parish families who will come to collect food, and do not have transportation.

I would like to thank Fr. Thomas and Fr. Ravi for their spiritual guidance, and to the parish community for their tremendous support of our council. If you know of any Catholic young men that are interested in joining the Knights of Columbus Council 8842, I would be happy to speak with you. Please contact me at 416-744- 7771 or by email: dmronney7771@rogers.com. You can also contact our membership director, Brother Chris at 905-672- 6280 or you can contact him by email: brother.murphyc@yahoo.ca

## **Chaplain's Report** - Fr. Ravi Tete

How to strengthen our family in Christian faith? We strive to strengthen our family's faith in simple ways. Here are some things we do, which you may want to try with your own families:

### 1. Have a daily family prayer time:

Whether you're a Christian or a Muslim, or of a different faith altogether, you'll probably agree with me when I say that praying together as a family is important.

Actions speak louder than words, they say, and based on my experience, this is completely true. Children will be more inclined to pray if they see Papa and Mama praying, too. Set a specific time when you can pray together every day, even if it's just for 10 minutes. Be sure to make your prayers heartfelt and solemn, so that your kids will learn to do the same. Encourage them to pray out loud, and say spontaneous prayers, too.

### 2. Read the Bible together.

If you're a Catholic/Christian parent, you'd know the importance of "hiding" God's Word in your heart, as well as in your child's heart. Reading the Bible together and having discussions about your readings every day will help foster a love for God and the Sacred Scriptures.

If this task seems daunting to you, don't fret. Start small, like reading a short passage a day from an "adult" Bible or choosing a story from a children's Bible storybook. You can also opt to read aloud the Gospel reading for that particular day, from the Daily Mass Readings.

After reading your selected Bible passage, try to have a simple discussion with your kids about it. Say a short prayer afterwards, asking God to help you live out the message of what you have read. If your family is of a different faith, you can use sacred or holy books associated with your religion. What's important is that you read them together with (or out loud to) your kids.

### 3. Include God in ordinary conversations.

We want our children to know that God is a part of our daily lives; He is not Someone who we just "visit" or "see" at Mass every Sunday, nor is He Someone who we remember only when we need something. This is why we try to include God in our daily conversations with our kids, whether it's at the dining table, or when we're watching a movie together, or even when we're waiting for a taxi. We talk about Him and refer to Him as our Father, Savior, Healer, Friend, Protector, Brother, and Provider, among others. Hearing my kids mention God, Jesus or Mama Mary even during their pretend play sessions always makes me smile and whisper a prayer of thanksgiving. "Despite all my failures as a mom, I must be doing something right," I think to myself.

### 4. Be intentional when it comes to religious "practices."

Make going to Mass or other religious "obligations" more than a duty or something-I-do-because-Papa-and-Mama-say-I-need-to-do-it" more meaningful by explaining to your kids the true purpose behind it all. You can do this by talking about the places you visit, the objects you see, and the things you do or say. For example, when you're inside a church, point out the different objects that you usually see there, and tell your child what their purpose is. It may also help to read books or watch age-appropriate videos that can give you deeper insights into why you believe what you believe, plus why you do what you do in relation to your beliefs.

### 5. Attend faith-building events.

"Man is not an island," so the saying goes, and it is truly difficult to grow in faith if you feel that you are all alone on your spiritual journey. This is why participating in activities that can help strengthen your faith and build community is important.

## Memorial Page - In Memoriam

In Flanders fields the poppies blow, Between the crosses, row on row, That mark our place; and in the sky, The larks, still bravely singing, fly Scarce heard amid the guns below. We are the Dead. Short days ago. We lived, felt dawn, saw sunset glow, Loved and were loved, and now we lie. In Flanders fields. Take up our quarrel with the foe: To you from failing hands we throw. The torch; be yours to hold it high. If ye break faith with us who die. We shall not sleep, though poppies grow In Flanders fields.
