ST. CLAIR RIVER PLEASURE CRAFT TRAFFIC RESTRICTIONS

The United States Coast Guard, Sector Detroit, Waterways Management Division has issued a Marine Event Permit. There will be a Special Local Regulation issued by the Coast Guard establishing a restricted area and other controls, which also establishes a local safety zone, and slow no-wake area during any testing and active racing.

Course area is roughly from north of the St. Clair Shoal upper limits (Light 54) south to an area just below the Pine River (Light 48).

Mariners are advised to listen to the regular marine information broadcasts on their VHF-FM marine radio; and for further information can contact U.S.C.G. Patrol Commander by contacting Coast Guard Station Port Huron, or on event days, contact the Coast Guard Patrol Commander on VHF-FM Channel 16

River closure for Saturday, July 30, 2016 - Testing

- This closure applies to ALL non-commercial vessel traffic (pleasure and fishing craft)
- Coast Guard PATCOM can begin enforcing the established safety zone at 11:00 AM
- River closures may be in place from 11:00 AM to 6:00 PM local time
- Pine River traffic will be restricted during active testing operations

River closure for Sunday, July 31, 2016 - Racing

- This closure applies to ALL non-commercial vessel traffic (pleasure and fishing craft)
- Coast Guard PATCOM will begin enforcing the established safety zone at 11:00 AM
- River closures will be in place from 11:00 AM to 6:00 PM local time
- At the decision of Coast Guard PATCOM, traffic may be allowed between races
- Pine River traffic will be restricted during active racing operations

The State of Michigan has a Mandatory Helmet Law

Michigan law now allows motorcyclists to decide for themselves, if certain conditions are met, whether or not to wear a helmet.

To legally not wear a helmet, a motorcycle operator must:

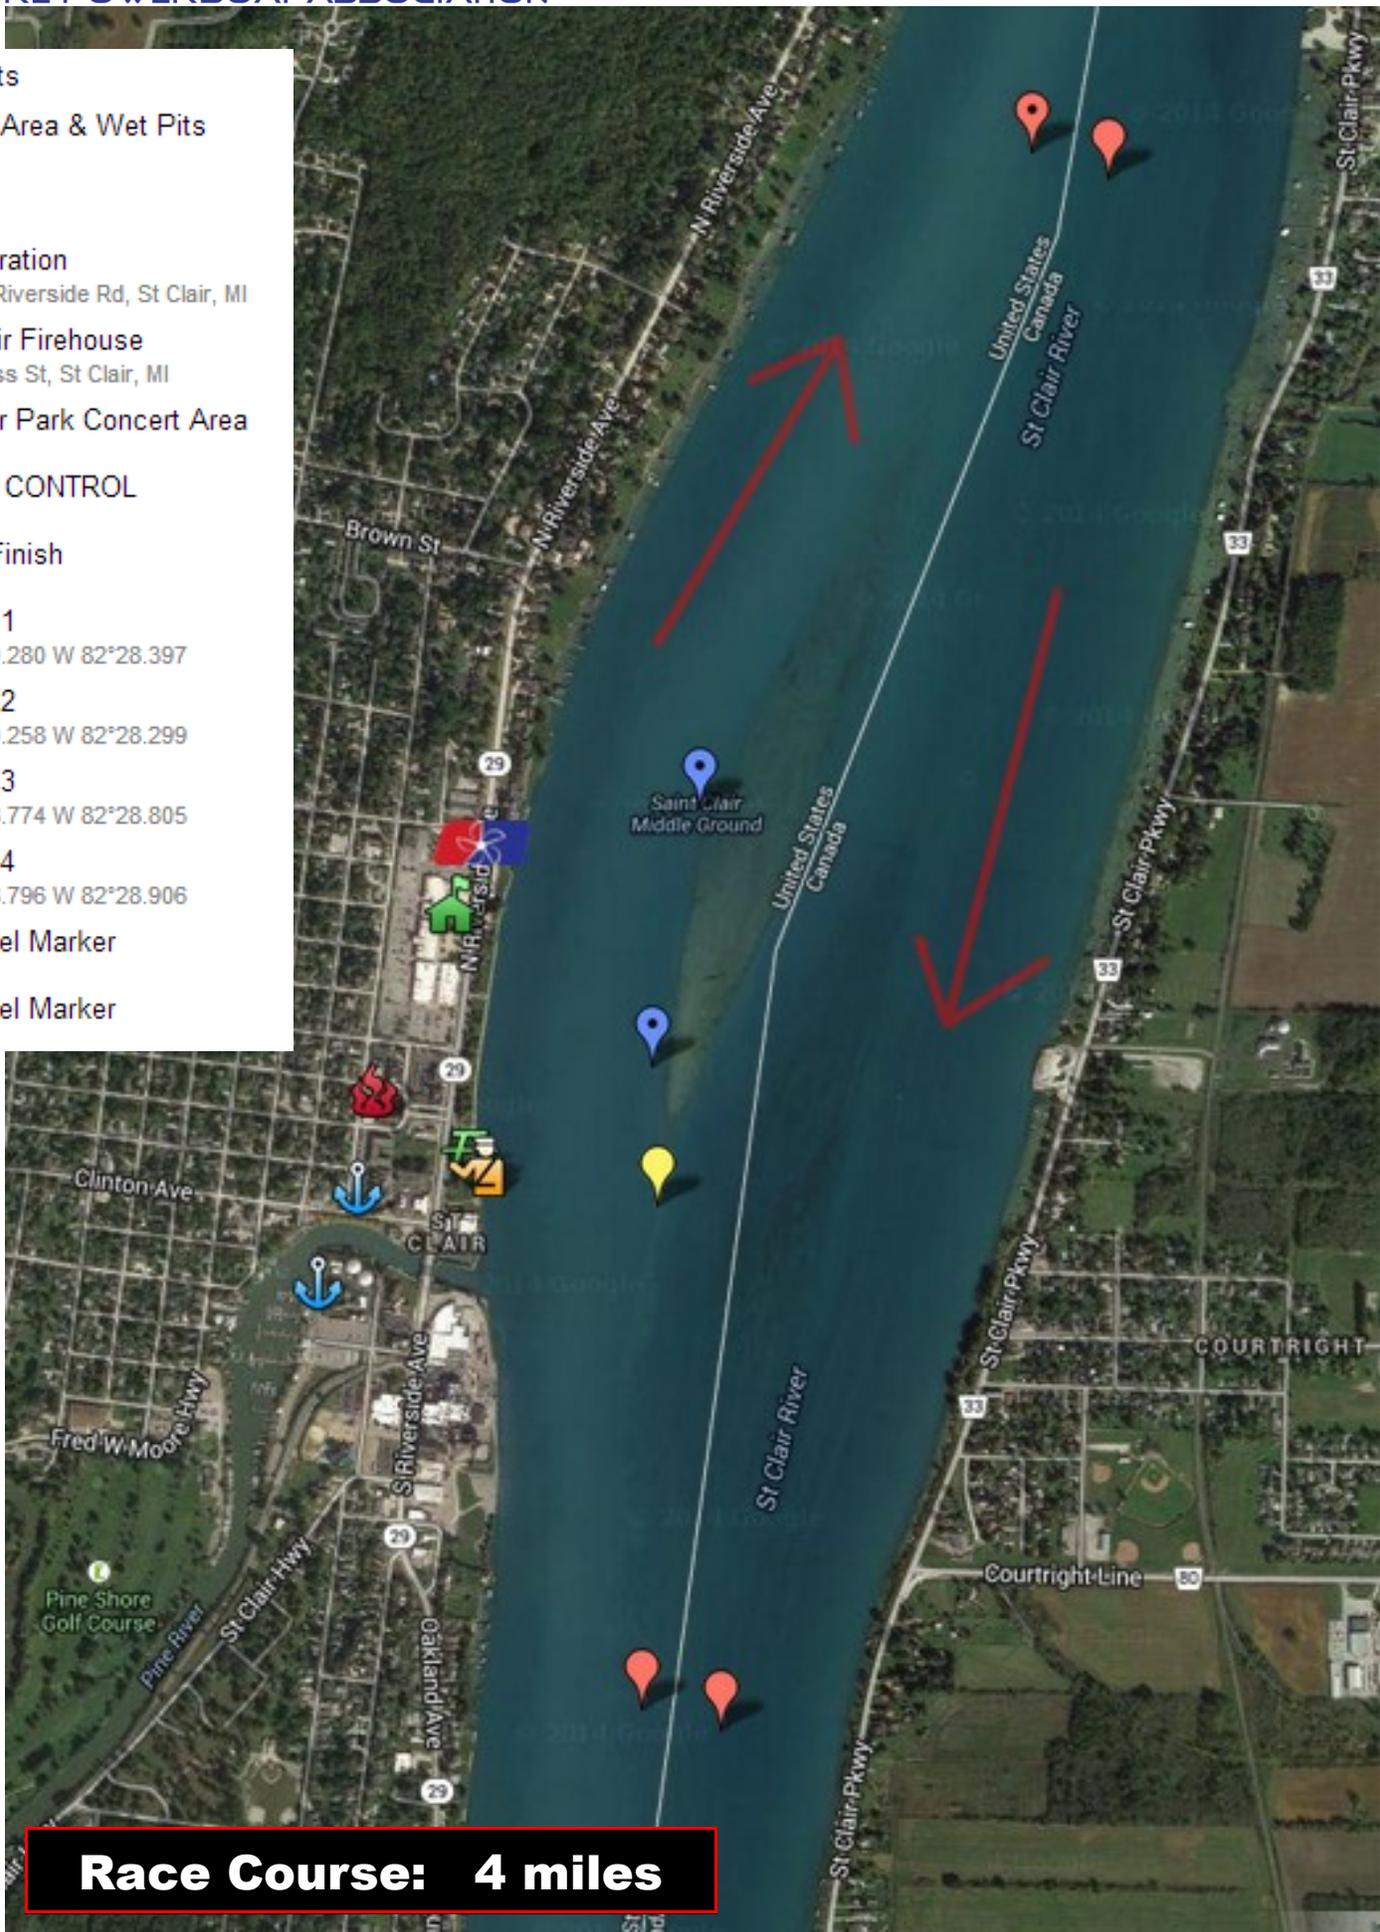

- Be at least 21 years old.
- Have at least \$20,000 in first-party medical benefits.
- Have held a motorcycle endorsement for at least two years, or have passed an approved motorcycle safety course.

The law also allows for motorcycle passengers to not wear a helmet. Passengers also may not wear a helmet as long as they:

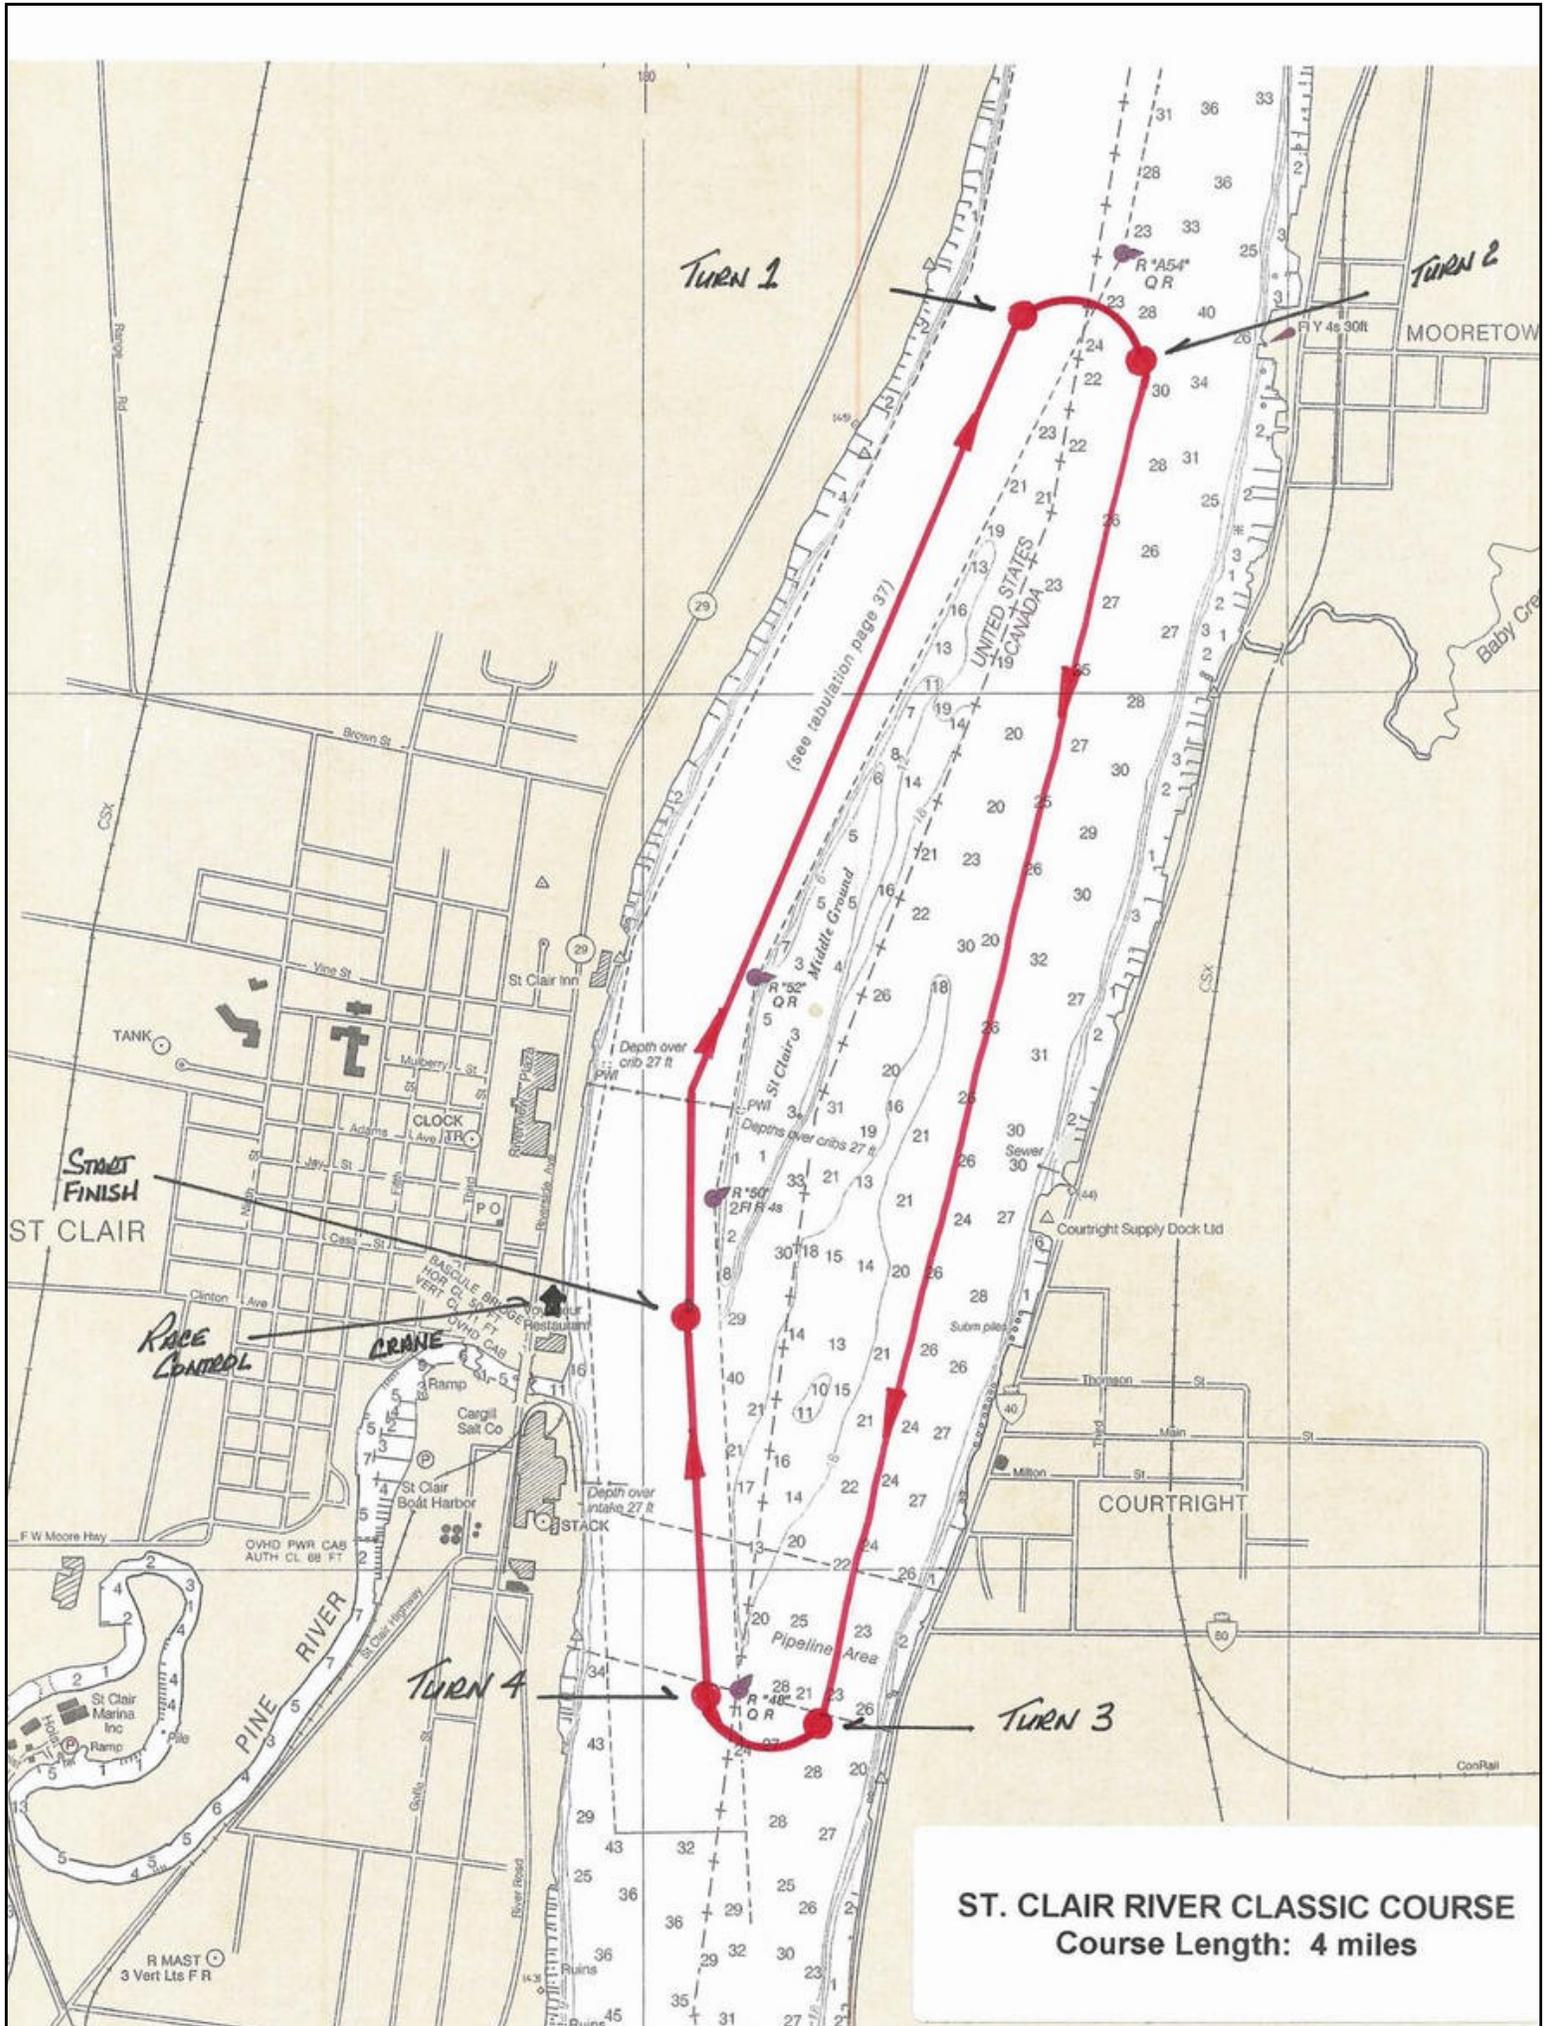

- Are at least 21 years old.
- Have at least \$20,000 in first-party medical benefits insurance in addition to the insurance that is required of the motorcycle operator.

A person younger than 21 years old still must wear a helmet approved by the U.S. Department of Transportation when operating or riding on a motorcycle. The requirement that an individual younger than 19 years old must wear a helmet if operating a moped on a public roadway is unchanged.
