NJDHA 2019 Annual Conference

(formerly Garden State Conference)

Saturday November 2, 2019

9:30-11:30a.m. – Morning Choices:

Head and Neck Oral Cancer Screening: It's more than what catches the eye (2CEUs AM course)

With Susan Cotten, BSDH, OMT, RDH

We are uniquely positioned to screen for head and neck oral Oropharyngeal cancer. However, expanded screening protocols and oral cancer office systems, to include the entire team, are key as the faces of these cancers have changed. Join us as we discuss risk factors, potential signs and symptoms of head and neck oral Oropharyngeal cancer, additions to the health history, and components of an office system.

Local Anesthesia Update(4 CEUs offered 2 hrs AM and 2 hrs PM; meets NJSBOD REQUIRED LA-continuing education requirement)

With Marion Manski, MS, RDH

****MUST TAKE AFTERNOON SESSION AS WELL**

This course will focus on Local Anesthesia as a refresher and update. It will provide the student with didactic to review the block (Inferior alveolar nerve block, IANB) local anesthesia as many dental professionals struggle with this technique. The course will provide a review of basic pharmacology, medical concerns with local anesthesia administration and new techniques.

Access-to-Care: Geriatrics & the Alphabet Soup (2 CEUs AM session)

With Rebecca Welch Pugh, BSAST, RDH

Senior citizens are a dominant part of the US population. Do you know the terminology? The alphabet soup? The needs? The barriers? Join me for a lively discussion on seniors today and tomorrow in New Jersey and the United States!

Educators Networking—Come see what's happening in the Educators world

Featuring Dr. Alaa Mohsen

“Current Issues in Dental Hygiene, and Assessment of knowledge, attitudes, and practices of schoolchildren toward the importance of having healthy oral hygiene through practicing preventive dentistry”

NJDHA 2019 Annual Conference

NJDHA 2019 Annual Conference

(formerly Garden State Conference)

Saturday November 2, 2019

2:00-4:00p.m.—Afternoon Choices:

Head and Neck Oral Cancer Screening: “Expanded Screening Techniques for the Intraoral and Extraoral Evaluation” (Hands on Technique: 2 CEUs PM course)

With Susan Cotten, BSDH, OMT, RDH

According to the Oral Cancer Foundation, one person every hour of every day dies from oral cancer in the United States, and 53,000 will be diagnosed with oral or Oropharyngeal cancer in 2019. Expanded and synchronized screening techniques for your office, are key to early detection. Join us for this hands on course as we explore these techniques, hear a personal story of oral cancer and how it affected both the patient and family, and discuss potential signs and symptoms of HPV Oropharyngeal cancer.

Local Anesthesia Update(4 CEUs offered 2 hrs AM and continuing 2 hrs PM; meets NJSBOD REQUIRED LA-continuing education requirement)

With Marion Manski, MS, RDH

****MUST TAKE MORNING SESSION**

This course will focus on Local Anesthesia as a refresher and update. It will provide the student with didactic to review the block (Inferior alveolar nerve block, IANB) local anesthesia as many dental professionals struggle with this technique. The course will provide a review of basic pharmacology, medical concerns with local anesthesia administration and new techniques.

Access-to-Care: Geriatrics & the Alphabet Soup (2CEUs can be taken in AM session or PM session)

With Rebecca Welch Pugh, BSAST, RDH

Senior citizens are a dominant part of the US population. Do you know the terminology? The alphabet soup? The needs? The barriers? Join me for a lively discussion on seniors today and tomorrow in New Jersey and the United States!
