“Periodontal Disease Does Not Discriminate Based on Age” (2 CEUs)

presented by: **Lancette VanGuilder RDH BS**

A look at periodontal disease through childhood, adolescence and early adulthood. Many sources shed light on the fact that the majority of the population will experience periodontal disease at some point in their lifetime. We also know that the risk is significantly higher as people age. But when does periodontal disease start? Are we doing enough to prevent it and most importantly, are we doing enough to catch it at its earliest stages?

Educators' Networking:

Meet with other Dental Hygiene Educators and Discuss relevant issues from the education stand point. (2 CEUs)

Or

Access to Care Panel:

“Extending Our Reach - How NJ RDHs are Meeting the Needs of the Community”

Saturday October 27, 2018

2:00-5:00p.m.—Afternoon Choices:

“Au Naturele: Oral Health and Homeopathic Trends” (3 CEUs)

Presented by: **Lancette VanGuilder RDH BS**

Holistic and alternative medicine trends are on the rise. More and more people are seeking out natural ways to feel better, improve their health and minimize the need for harmful chemicals and invasive procedures. The dental team has the opportunity to serve as a valuable resource for optimal oral and overall health. This course will provide background on natural healing practices as well as an overview of current oral and homeopathic trends and alternative medicine culture.
