Days for Girls: March 2019

Other

Days for Girls: At our regular membership meeting on March 27, we presented a check for \$500 to support "Days for Girls." Days for Girls is a global movement that prepares and distributes sustainable menstrual health solutions to girls who would otherwise miss school during their monthly periods. The nonprofit organization was founded in 2008 by American woman Celeste Mergens. Twelve Lions participated, purchasing supplies and sewing personal hygiene materials and bags to hold these items, the result for this quarter was 150 personal hygiene kits. These kits touched 150 young ladies, each receiving a kit (reusable, lasting seven years), in Mexico and Haiti. This project was completed in January and March respectively for Mexico and Haiti. 67 Lion hours and \$500 was spent. This project will continue and be repeated.
