

“Auric Bodies Communicating” Reveals Your Birthright!

Auric Bodies Communicating (ABC) is ACIM’s Lab works directed under the guidance of the Holy Spirit, Your Awakened Guides, The Christ, all channeling God—all Auric [Golden] Bodies Communicating (In Oneness with God). As such, we are provided the clarity regarding blocks to our awareness of love’s presences. Love’s presence is infinite and the greater the awareness, the higher the dimensional consciousness we then operate from. Upon asking and identifying our blocks, we can then choose to have them dispelled—for they are nothing more than illusions mistakenly made through the inappropriate use of our Christ within. As blocks are removed by the Holy Spirit, healing by Love’s presences naturally takes place. Moreover, we rise in conscious awareness like the climbing up a ladder through the higher realms or dimensions. The key is our inner communication, communion, with our Father—through all His eternal expressions who know who we are.
