

INSIGHTS WITHIN

HOW YOUR CELESTIAL GUIDANCE SEES YOUR LIFE?

IS IT WORTH A LOOK?

IS IT WORTH ASKING?

DO YOU WISH TO KNOW WHAT YOU ARE DREAMING RIGHT NOW?

Beloved Ones,

Know now we speak to you from the Heavenly realms. We speak to you through your brother Christos who is listening and learning and moving forth as he is so guided. He, along with a few others, has discovered the deeper keys to awakening... as they are seeking in curiosity to know the more, to be the more, to see the more of all that God is holding out to them. As a result, they have compressed hundreds of years of work into weeks and even days. How? They have discovered by simply asking their Holy Spirit for 'the awareness' of all things blocking them from 'experiencing all that God is holding out to them.'

Through their asking, they have been given the clarity of those things they have denied, those things that have obstructed, those things that they have 'chose to do in opposition' to the Father's Will. Many of you as well have asked of the same, yet our beloved's it is time to go deeper. It is time to go deeper into your awareness of exploring your denials. Denials of what? Your Divinity, your Divine birthright.

What is this Birthright we speak of? It is the fullness, the totality of Awareness that YOU ARE a Holy Son and Daughter of God. And it is most important that you know clearly that this is not a new concept of awareness as we know you know it conceptually; you have got this down pat intellectually. But our family, You are not *experiencing* it fully! This is the totality we speak of and now ask that you explore it with us now. Totality means: **WITHOUT LIMITS!**

You see, we speak of here your divinity, your divine birthright as Sons and Daughters of God. We speak of Your Magnificence! We speak of your Spiritual Mastery of being Masters of Love and as such, *Living, Experiencing* Your Magnificence! We speak now saying, short of pleading, Stop Your Denials that you are "*experiencing*" the fullness what God now holds out to you! Stop It! Stop living in littleness of your ancient insanities *as if* 'your birthright is limited.'

Accept that you are dreaming, that you are feeling limited, that somehow you are blocking and denying the love of God moving through you—and that this Infinite Birthright is your entitlement just because of who you are. It is God's Will that it be evidenced in your everyday life! If you do not ask for help, and it is help that is needed to free yourself, and the insanities will remain and the experiences of limitation you are having now will continue.

Are you perfect exactly where you are? Yes! Yet in answering this about you, we too are seeing you in your Perfection as God created you! However, most of you are not, in fact all of you are not—As Awakening is "Knowing, being the evidence of, knowing that you are just as God created You! Why is this so? It is simply because in certain ways you are still judging yourself, you are saying to God, "I choose to see it my way"—you are still insisting on dreaming in littleness, lack, limitation, whereas in God's Mind there is none of this. It is simply seeing, experience life from the ego prospective, the limited mentality that is blinding you from God's vision, God's Will, God's Perfection that is always moving through you, even right now! And the only reason that you don't see it is that you are denying that "there is more" so you "don't ask" what these denials are... you just assume that this is all there is right now. So you just continue to see "Your Perfection" intellectually, regardless of how 'You' are 'Experiencing It.'

If you but ask we will tell you! But you have to ask! This is most important that you understand.

This brings us to the point of writing and sending this to you today. We come now encourage that you ask—"ask" your Higher Self, your Divine Mind, your Christ within, your Holy Spirit, what is The Truth Here? Are there things going

on within my mind that I am not conscious of that are blocking my awareness to the presence of the Totality of God's Love?

If you wish to see 'only' the evidence of Love and if you wish to 'only' BE the evidence of love, and you are not seeing and experiencing it tangibly, you need to ask questions. These questions are about your blocks, your denials, your obstructions to your good. And yes it is a choice... Yes, you can continue choosing to stay right where you are. But be clear and assume nothing: it is not what God would have for you! It is not the thoughts, experiences, awareness, visions, clarity, truth, abundance, He is holding out to you! He and All of Us Here in Heaven are holding out to you the gift of your totality, YOUR INFINITE MAGNIFICENCE!

If ONE of you will "allow this fully," without tainting it and blocking it in any way with limits, You Will In Fact Heal The World! It only takes One! It only takes one to accept their Birthright in its totality! When this happen for One, It happens for All, for as you know, You Are One!

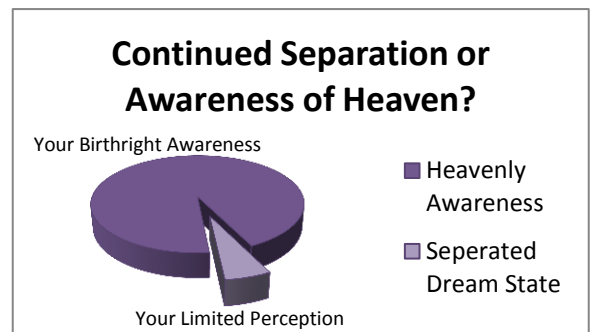

Yet, if you don't ask "Am I blocking, obstructing, denying, my Infinitely Divine Birthright" in any way, you will never know if you are. You have to ask. You have to be willing to be real honest with yourself. You have to be willing to be vulnerable. You have to be willing to step into your innocence as a child, saying, "I don't know Father, please help."

If you are not feeling it, experiencing it, if it is not tangible to your everyday, every moment awareness, wake up, you must be denying it! It is time we call a spade a spade. Otherwise, you simply delay what is here right now for you! Will you brave the question? Will you, are you, willing to trust that perhaps there is a whole lot more to what God would have you experience? Are you willing to be curious to see if what we say is true?

So let's ask! Ask God...and if you're not sure how, ask him through one of His assigned coaches (see end for link) that have volunteered to assist you in this way completely for free! Ask them to ask the Father on your behalf, the Christ, your Spiritual guides, if there is something you can release, a block, an obstruction, something, anything, that perhaps you are denying unknowingly? *Ask what you need to know, ask what you can do to claim your Birthright completely!* Humble yourself and say maybe, just maybe, I need to ask!

Ask what? We give you additional clarity now, thoughts, questions, you can explore....

- Ask Perhaps: Am I blocking my awareness in any way that is stopping the fullness of God from showing up in my experience, my life, my world? And if so, what is it and how can I release it?
- Ask Perhaps: Do I have 'subconscious' stuff going on (subconscious patterns of thinking) that I am not aware of that my Divine Guidance can bring up into my conscious awareness, so I can choose the let it go?
- Ask Perhaps: Have I created anything that stops, hinders, the flow of God's Love moving through my life, that may be creating "speed bumps" to my knowing and experiencing all that God holds out for me to accept, that it is already given me but I do not see it?
- Ask Perhaps: Is there any limited, finite, or stuff in any form that is blocking the fullness of my abundance, which is my Birthright? If so, what is it?
- Ask Perhaps: What the heck is blocking me from experience the Evidence of God's Love in my life? What can I do to let this shit go?

When You Ask, Receive and Release, You Will Know The All of God as we do! In our minds, the Minds that are connected to the Singularity of Spirit, where there is no separation, *we see and experience everything as Perfect!* It is Tangibly Perfect Always! And this is how we see you no matter what you are experiencing! Thus, if you ask us are you

perfect, whole and complete, it is all we see so ‘yes’ we will answer as this is the Truth! Yes your Holy Spirit, who navigates between your dream and the Truth, will show you otherwise if you are experiencing lesser than—or simply dreaming outside the Mind of God. But you have to *ask specifically* about the ‘lesser, limited or obstruction’ in order for us to again speak “The Truth” as to what is going on “now” in this moment. You see, we see you in Truth but too can tell you, give you clarity of ‘your truth’ that is going on right now for you. We can see your dream woven webs of lack and limitation. We can show you your denials “IF YOU ASK” us specifically about these. You See? In other words, we can tell you what You Are Dreaming outside of God’s Love so you can make a new choice, to choose to choose again.

So the question is: Do you want to go deeper into knowing all that you are dreaming and perhaps don’t know or are not consciously aware of? You can, but you need to ask and we will show you everything!

How? By learning and doing the work of Auric Bodies Communicating (ABC Self-Healing), a process God has given you to get clarity, heal denials, pains, and all else that is experienced as limited. Years ago this process would not have been possible, but now with the veil ever so thin, communications can happen in ways where there is easier ‘constant contact’ with God within! As you will find more on our website, channeled through Christos and Natalie, we named this process Auric Bodies Communicating, as it is the “Truth” happening as you reach to us beyond your duality mindset! Before now it was not so conveniently possible... but now it is! The vibrations of God’s Love, the Infinite Loving Intelligence, has now shifted in such a way that provides for ‘clarity’ (Love) being in greater evidence to all God’s children on Earth! So now ‘Truth’ can be discovered by letting go of what is blocking it: UNTRUTH! This is why it is a journey without distant! For as you allow ‘God/ His Holy Spirit/ The Christ’ to remove what is “not real” from your mind – what is real comes flowing into your awareness because it was always there!

So if you are willing to return home and awaken from the dream, learn to communicate through your auric field—better known to you as ‘awareness.’ For it is through this practice that the Kingdom is found, where God is Celebrated within you—It is where your Christhood and your Birthright are claimed!

Want proof of what we say here is true? Ask! Email an ABC Self-Healing Coach on this page, giving them permission to talk with your Divine Guidance. They can do this now for they know through their own practice, there is no separation. Once you provide permission, they will check in with your guidance and give your Holy Spirit’s answers to your questions. You need simply email them—it is that easy!

And if you want to help us help you in Awakening the whole planet, simply share this email with folks you feel may benefit from it – those you feel are open to ‘going deeper’ into the Infinite Nature of their Birthright! If you are not sure, ask! You will be guided in Love! If you not sure how to ask, you can learn how quickly, easily, by going [here](#).
