Dear Ms. Gonzales:

As you know, CSR staff and youth treated 10-families at the YWCA – Las Palmas Branch to a Christmas celebration on December 21, 2013. These families were treated to a few hours of fun that included cookie decorating, refreshments, photos with Santa and, of course, gifts for the children. It warmed the heart to see smiles on so many kids' faces.

We are very thankful for the toys that Fastpitch by Analisa donated to us. This donation helped increase the number of children who received toys during the Christmas celebration. It was indeed very generous of you, your students and their parents.

Sincerely,

A handwritten signature in black ink that reads "Randa Bruce Gonzales".

Randa Bruce Gonzales
Deputy Chief Probation Officer
