

## What Stepping Stones Ministry of the Triad means to me.

Stepping Stones Ministry of the Triad means grace to me. It means a second chance for my family and me. With us being in this program it has been such a blessing for my family.

I can't even to begin to talk about the love we've been shown throughout my pregnancy, our babies surgery to repair the hole in his heart and even now that's he's doing great.

Everyone in this ministry has prayed for us, brought by gifts and just sent cards with their encouraging loving words. We have been extremely blessed with the amount of love and prayers that we have received. The power of prayer is AMAZING!
