

The AIM/Young Professionals of Greater Dearborn County is excited to announce its Third Annual AIM/YP 5K scheduled for Saturday, May 17 at the Lawrenceburg Bike Trail, Lawrenceburg Indiana. The focus of our 5K is to raise monies to award three scholarships to students from each of our three schools in Dearborn County. The monies raised will also go towards funding the Maverick Challenge contest for Dearborn County high school students. This contest is an opportunity for high school juniors and seniors to develop and showcase their entrepreneurial spirit and work with local business persons for the chance to win a cash prize to invest in their idea.

AIM (Achieve, Inspire, Mentor) is Dearborn County's Young Professional group. Made up of active, civic-minded professionals, AIM hopes to promote Dearborn County's future as a great place to live, work and play. Working under the Dearborn County Chamber of Commerce, AIM's focus is to prevent migration of educated youth to larger cities and to encourage those who have left to return to Dearborn County.

AIM's Third Annual 5K is targeting Dearborn County's professional youth, business leaders and all residents that care about growing the future of our community through mentoring opportunities, educational programs, business affiliations as well as scholarships.

Your sponsorship of AIM/YP's 5K will not only help establish our young group but bring your company heightened corporate image and brand awareness, while demonstrating social responsibility and community involvement.

We invite you, as well as your employees, to learn more about the opportunities AIM/YP offers through membership and involvement in our growing calendar of events. We look forward to your participation in the AIM/YP 5K on May 17th!

Each level of sponsorship below offers unique exposure for your company. In addition to the benefits listed with each level, your sponsorship entitles you to a tax benefit. Your participation and support will have lasting effects on AIM/YP's scholarship and youth retention efforts far beyond this event.

Thank you for your support!
