We ask that you please notify the Camp Director directly if your child (ren) will not be attending camp on any day he/she is registered for, or if he/she will be arriving late or leaving early, preferably the day before, in the form of a written note.

Medication/Illness

Medication will not be given out to campers by any of our summer camp staff. If your child becomes ill while at camp, you will be called to come and get your child. We will err on the side of caution and always make a phone call if your child says they do not feel well. If it becomes necessary, we will depend on the daytime phone numbers and emergency contacts that you have provided for us on the day camp registration form.
