

2016 AP EUROPEAN HISTORY SUMMER ASSIGNMENT

Welcome to AP European History at Fountain Valley High School. It is essential that we begin our course over the summer to provide us with an upper hand on the tested material. Our exam is the 1st Friday in May and every day we gain now, is an extra day to review or dig deeper into the material. This is a mandatory assignment for all AP European History Students. If there is a problem in obtaining the materials you must email or contact Mr. Kral (mkral@hbuhd.edu) or Mr. Baratti (mbaratti@hbuhd.edu) before school begins (this does not mean the night before school starts).
