Republican Women of Trussville Mission Statement

Our mission is to increase the effectiveness of women in the cause of good government; inform the public through political education and activity; promote the principles of the Republican Party; work for Republican candidates in all general elections. We believe in a limited government that is "of the people, by the people, and for the people" at the local, state and national levels.

Email Etiquette

Be sure your name is reflected in your email.

Type in complete sentences. To type random phrases or cryptic thoughts does not lend to clear communication.

Never assume the intent of an email. If you are not sure – ask so as to avoid unnecessary misunderstandings.

Just because someone doesn't ask for a response doesn't mean you ignore them. ALWAYS acknowledge emails from those you know in a timely manner.

Don't hesitate to say thank you, how are you, or appreciate your help.

Keep emails brief and to the point.

Do not type in all caps. That's yelling or reflects shouting emphasis.

✓ Make sure you have signed up for the NFRW's free email network. This email network is the NFRW's primary means of communicating with members, and it is imperative that each member takes a few minutes to sign up. It's quick and easy and free. ▶ [SIGN UP NOW](http://www.nfrw.org/network.htm) at (<http://www.nfrw.org/network.htm>)

Membership

The "Each One Reach One" is a campaign designed to reach girls and women who are not involved in Politics. We need to seek out those who want to be part of the next generation of Republican Women. The Republican Women of Trussville Club is actively reaching out to all girls and women who are interested in playing an active role in their local, state and federal governments. Our focus will be reaching those girls and women who are in our social circles and Churches.

Each RWOT member is asked to invite girls and women to visit our Club and see if it is a fit for them. Our overall goal is to create a Club that is open to all ages of girls and women, that will be active in the political process in all areas of government and that ensures our Country continues in the Conservative values of our Founders.

Caring for America

New Project

The 2017 RWOT “Caring for America” project is to support a local organization called “The Wellhouse”, which rescues and helps victims of human trafficking.

Human trafficking is a growing problem in the USA and Birmingham is situated on the I20 corridor, a route used by human traffickers to transport victims... so you can see this is a horrible evil on our doorstep.

For more info go to: www.thewellhouse.org
Below is a list of items needed for residents of “The Wellhouse”. Please bringing items to our meetings.

Looking forward to serving with you all this coming year!

SPOTLIGHT! Trump

His First 30 Days!

- Trump signed the executive order formally ending the United States' participation in the Trans-Pacific Partnership in the Oval Office after discussing American manufacturing with business leaders in the Roosevelt Room. The order was largely symbolic — the deal was already essentially dead in Congress — but served to signal that Trump's tough talk on trade during the campaign will carry over to his new administration.
- We watched the new president move quickly to deliver on his promise to wipe out the funding for overseas abortion groups and redirect that money to real health care providers.
- President Trump signed executive orders effectively reviving the controversial Keystone XL and Dakota Access pipelines, as a major builder said it will reapply to build one of the projects which had been stalled by the Obama administration under pressure from environmental and other groups.
- President Donald Trump signed two executive orders in keeping with campaign promises to boost border security and crack down on immigrants living in the U.S. illegally.
- President Donald Trump signed executive orders for the U.S. Government to begin construction of a wall along the southern border with Mexico.
- President Donald Trump has signed 8 executive orders. Barack Obama signed 14 by this time.
- He has signed fourteen presidential memorandums and proclamations.
 - Includes directing the Treasury Secretary to review the “fiduciary rule,” declaring February American Heart Month, directing his administration “to develop a comprehensive plan to defeat ISIS” and reorganizing the National Security Council.
- The President has had 8 Cabinet nominees confirmed.
- The number of jobs that United States employers have added in January is 227,000. It was the best job growth the country has seen since September.
- Federal government hiring freeze.
- Freezing regulations.
- Stopping sanctuary cities.
- He is rebuilding the military.
- They are working on boarder fence plans.
- Drafting plan to defeat ISIS.
- He brought about a 5 year lobbying ban.
- Nominated Judge Gorsuch to Supreme Court.

And it continues all while the DNC complains about our new president.

I HEELS ON THE GROUND!!!

Knowledge is Wisdom!

"I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them." --

***Thomas
Jefferson***

Since the election, President Trump has been under constant fire from the Progressive Left. They have protested, rioted, filed lawsuits, and personally attacked both him and his family.

To show our support of President Trump and gratitude for his efforts to bring manufacturing jobs back to America, put the security of our nation ahead of political correctness, improve our infrastructure, put Veterans first, revitalize the inner cities and secure our nation's borders, Conservative grassroots leaders are planning a series of massive pro-President Donald Trump rallies nationwide.

On Feb. 27 and March 4, the rallies—dubbed the Spirit of America Rallies—will spring up nationwide in cities and towns across America.

Rallies are in the works in Arizona, Georgia, Colorado, Indiana, Iowa, Louisiana, New Jersey, Ohio, South Carolina, and Washington state. More information is available on the Spirit of America rallies website.

We are in the preliminary stages of organizing a rally here in Birmingham on Saturday, March 4th. Please mark this date on your calendar and make plans to join us to show President Trump we support and appreciate him. We will have more details available in the coming weeks.

Thank you!

DID YOU KNOW?

Do You Have the Right Alabama ID?

by Jennifer Gonsoulin 33/40 News
Wednesday, January 25th 2017

Since 2005, federal authorities have been pushing for a nationwide identification program. It's part of an effort to keep the country secure from terrorism. It's just a matter of time before everyone will need to have this special ID, called a Real ID. Or, as Alabama calls it, the Star ID. But, as we found today, a surprising number of local people don't even know about it.

If you travel by air within the U.S. or enter federal buildings, by October 2020, you will need special identification to do so. Unless your Alabama drivers license has a yellow star on it, it won't be enough.

"I didn't know they existed at all."

"This is my first time ever hearing about it."

"I travel a lot....I've never seen it in the airports."

Those were some of the responses we heard today from people we spoke to at Railroad Park, who say these so-called new IDs are "news" to them. In 2005, Congress passed the Real ID Act, in response to the

911 terror attacks. The ID's are designed as an added security measure within the U.S. In addition to your full name, date of birth, address, and other key information, the new IDs will also include a bar code and special features to prevent tampering.

You also have to provide additional documentation to obtain these new IDs, including:

- One document for proof of identity
- Proof of all name change (if applicable)
- Proof of Social Security number
- Two proofs of Alabama address
- Completed application license or ID card

Right now, Alabama is one of only 25 states in the country considered "real ID compliant." That means currently, you can fly even without the star license. But, by the final deadline of October 2020, without the star you won't get in the air -- or inside the federal buildings.

Think Twice about REAL ID

Posted on *January 24, 2017* by *Action 4 Liberty*
By *Dave Benner*, author of *Compact of the Republic*

Many opponents of REAL ID have forecasted doomsday scenarios that are to befall states that align against the law's implementation. Most arguments seem to revolve around the idea that the federal government will initiate a crackdown if states refuse to comply, and double-down on enforcement if states are unprepared to implement the mandate. Others suggest that a voluntary-opt out should placate all hostility toward the act, and prevent the possibility of privacy violations and centralized overreach. Both of these claims, I think, are without merit. (Read More at <http://action4liberty.com/think-twice-about-real-id/>)

President's Commentary

Dear RWOT Members and Friends,

Things sure have not settled down. It has only heated up.

We finally have a rally of our own that we can participate in and support. We need President Trump to see that we are still out here and for him to hear and see us! We will be sending out more information on the rally very soon. Please plan on attending in March.

Things are exciting. I am glued to the TV all of the time to see true "CHANGE" happen.

Our own Senator Jeff Sessions has been confirmed as United States Attorney General. AG Luther Strange has been appointed to fill this Senate seat.

We have quite a few cabinet members to get confirmed. We need Judge Neil M. Gorsuch appointed, but we will have to wait through the filibusters and the debates.

We have quite a few ladies going to Montgomery for Legislative Days. This is so exciting.

And as always, continue to pray for our country, wisdom for our President, the infighting going on and Israel.

God bless America!

Debbie Prangel
