Republican Women of Trussville Mission Statement

Our mission is to increase the effectiveness of women in the cause of good government; inform the public through political education and activity; promote the principles of the Republican Party; work for Republican candidates in all general elections. We believe in a limited government that is "of the people, by the people, and for the people" at the local, state and national levels.

Membership

The Democrat Party is reaching out to our young people! It is vital that we do the same but BETTER!

The "Each One Reach One" is a campaign designed to reach girls and women who are not involved in Politics. We need to seek out those who want to be part of the next generation of Republican Women. The Republican Women of Trussville Club is actively reaching out to all girls and women who are interested in playing an active role in their local, state and federal governments. Our focus will be reaching those girls and women who are in our social circles and Churches.

Each RWOT member is asked to invite girls and women to visit our Club and see if it is a fit for them. Our overall goal is to create a Club that is open to all ages of girls and women, that will be active in the political process in all areas of government and that ensures our Country continues in the Conservative values of our Founders.

Our club needs sponsors for our club. First, we're looking for sponsors to help defray our costs so we can do more things in the community and put money in our scholarships. The easiest way is to get sponsors from people that you know who are willing to make a contribution directly using our sponsorship form below.

Clubs, politicians, businesses, candidates - all can sponsor and all are greatly appreciated. Please help by contacting those who may be willing to participate. This would be an annual commitment. We will have these on hand at our meetings.

President's Commentary

Dear RWOT Members and Friends,

Wow, I don't even know where to begin this month. Every month there is something new going on. It does not stop. Earthquakes, hurricanes, flooding, protests, innuendos, terrorist attacks in New York, shootings in Vegas, statue removals, problems in the Dominican Republic, we could lose a senate seat, Uranium One, Tax Reform, military transgender directive halted, words are twisted, and there are so few to trust. Sorry to be so glum, you all are right there with me. I will be glad to say good bye to 2017. I pray 2018 will be better. I hope we all learn to work together!

Several ladies went to the NFRW convention and we had a wonderful time in Philly.

Vicki Bailey and I went to the AFRW convention. We had some wonderful speakers. We will try to get some of them to our meetings. Our Terri LaPoint got to speak for a few minutes and she really whet our appetite about Medical Kidnapping.

The ladies had another great time at Sheepdog Firing Range. We will be doing this every quarter.

We have a lot of things lined up for next year. We must get our people elected!

Let's keep working for Judge Roy Moore. We will be having door to door and phoning shortly. In January we will need to work for, our judgeships and other candidates. Our club must be neutral until after the primary, but you can work for your candidate. They need our help handing out handbills, making calls and delivering yard signs.

Pray for our country, wisdom for our President, an end to the infighting going on, for truth to be known and Israel. Also, please pray for our club. Our ladies have had a lot of sickness lately. They have had many things going on in their families. Just remember each other.

God bless America!
