Republican Women of Trussville Mission Statement

Our mission is to increase the effectiveness of women in the cause of good government; inform the public through political education and activity; promote the principles of the Republican Party; work for Republican candidates in all general elections. We believe in a limited government that is "of the people, by the people, and for the people" at the local, state and national levels.

I do not understand how living in a country with its democracy established over 200 years ago, and now, for the first time in history, suddenly we have one of our former presidents set up a group called "Organizing for Action" (OFA).

OFA is 30,000+ strong and working to disrupt everything that our current president's administration is trying to do. This organization goes against our Democracy, and it is an operation that will destroy our way of governing. It goes against our Constitution, our laws, and the processes established over 200 years ago. If it is allowed to proceed then we will be living in chaos very much like third world countries are run. What good is it to have an established government if it is not going to be respected and allowed to follow our laws?

If you had an army some 30,000 strong and a court system stacked over the decades with judges who would allow you to break the laws, how much damage could you do to a country? We are about to find out in America!

Our ex-president said he was going to stay involved through community organizing and speak out on the issues and that appears to be one post-administration promise he intends to keep. He has moved many of his administration's top dogs over to Organizing for Action.

OFA is behind the strategic and tactical implementation of the resistance to the Trump Administration that we are seeing across

America, and politically active courts are providing the leverage for this revolution.

OFA is dedicated to organizing communities for "progressive" change. Its issues are gun control, socialist healthcare, abortion, sexual equality, climate change, and of course, immigration reform.

OFA members were propped up by the ex-president's message from the shadows: "Organizing is the building block of everything great we have accomplished. Organizers around the country are fighting for change in their communities and OFA is one of the groups on the front lines. Commit to this work in 2017 and beyond."

OFA's website says it obtained its "digital" assets from the ex-president's re-election effort and that he inspired the movement. In short, it is the shadow government organization aimed at resisting and tearing down the Constitutional Republic we know as AMERICA.

Paul Sperry, writing for the New York Post, says, "The OFA will fight President Donald Trump at every turn of his presidency and the ex-president will command them from a bunker less than two miles from the White House."

Sperry writes that, "The ex-president is setting up a shadow government to sabotage the Trump administration through a network of non-profits led by OFA, which is growing its war chest (more than \$40 million) and has some 250 offices nationwide. The OFA IRS filings, according to Sperry, indicate that the OFA has 32,525 (and growing) volunteers nationwide. The ex-president and his wife will oversee the operation from their home/ office in Washington DC.

Think about how this works.. For example: Trump issues an immigration executive order; the OFA signals for protests and statements from pro-immigrant groups; the ACLU lawyers file lawsuits in jurisdictions where activist judges obstruct the laws; volunteers are called to protest at airports and Congressional town hall meetings; the leftist media springs to action in support of these activities; the twitter sphere lights up with social media; and violence follows. All of this happens from the ex-president's signal that he is heartened by the protests.

If Barack Obama did not do enough to destroy this country in the 8 years he was in office, it appears his future plans are to destroy the foundation on which this country has operated on for the last 241 years.

If this does not scare you, then we are in worse trouble than you know.

So, do your part. You have read it, so at least pass this on so others will know what we are up against. We are losing our country and we are so compliant. We are becoming a "PERFECT TARGET" for our enemy!

President's Commentary

Dear RWOT Members and Friends,

Well this month has presented a whole new problem with our embattled Republican candidate for the U.S. Senate seat for Alabama, Judge Roy Moore.

I think the common consensus I have been hearing is Judge Moore is the people's candidate and we, as a party, need to work for that candidate. The RNC deserted us in the middle of going door to door and phone calling and taking all lists with them. They should have done what they were supposed to do, support the people's candidate. I am proud of Alabama Republican Party and Jefferson County GOP for standing in the gap for the candidate.

There has been no proof of wrong doing yet. When that happens, then it is a different story. But for now, we need to fight for the candidate. We do not want the socialist party to get a foothold in Alabama.

Pray for our state, country, wisdom for our President, for truth to be known and Israel. Also, please pray for our club membership, invite others. We need to grow.

Enjoy this Thanksgiving with your families. Families make it all worthwhile!

God bless America!
