Dr. David Strayer appears on the **Oprah Show #1** for 2 minutes

- This is the thorough testing of distractions in the car, and why he was called to appear on the show. You will see exactly what he learned and why he explains the conclusions of his research.. [7 min] - then watch **Oprah #1 below**.

Interesting documentary from AAA Foundation for Traffic Safety

### 1. [OPRAH SHOW - DISTRACTED DRIVING](#)

For the most meaningful viewing of this show, first watch A. above.

[LINK ABOVE OR ON HOME PAGE]

This Oprah episode is “America's New Deadly Obsession” [After a 15 sec. commercial]

This is still applicable to everyone. However, prison sentences are much stronger and longer now.

[PLEASE NOTE - Oprah's opening statement is incorrect, and is repeated again. Later in the show, she gives the correct information comparing BOTH talking or texting with drinking.]

She also says that texting increases crash risk 8 times, [the latest statistics make it 23 times more likely to crash!](#) If you have AT&T service, your bill insert has had that information!
