### Did you know:

June 4, 1942 - was the beginning of  
the Battle of Midway which was one  
of the most decisive battles against  
Japan during WWII.

June 6, 1944 - D-Day began with over  
160,000 allied troops storming  
Normandy.

June 25, 1950 - North Korean armed  
forces smashed into South Korea,  
where as the United States sprang  
into action and defended South  
Korea in a bloody and frustrating  
war that lasted 3 years.

Also on June 25 1876 - The Battle of  
Little Big Horn, where the Lakota  
Indians (better known as the Sioux)  
and the Cheyenne banded together  
and were victorious in what is known  
as Custer's Last Stand. The Indian  
Nation won the battle but eventually  
lost the war. After all was said and  
done the "Black Hills", which was  
considered Sacred Ground", was not  
included in the territory designated  
to them as part of their reservation.

Anyone who has tattered flags please bring  
them to the VFW prior to June 14th.
