In the absence of any major events happening this month I thought I would make a few comments and this looks like a good place. First let me say we are doing great on our membership percentage this year. As Chuck said, we are at 96.6% so far. Sounds good but State put the goal on us to have a 7% growth this year so actually we need another 10.4%. This equates to about 34 more memberships to be paid this quarter in order to be counted. Please if your membership is coming due before July this year try and get them paid. Appreciate it. We are trying to get all of our awards again this year.

Second we need to start thinking about elections. There are several positions that in the past have just been names on a report. This is not good for our post. It is common knowledge that I do not want to serve as quartermaster again this term. We need to have someone that will invest the time and energy to do this job correctly. The reason that I do not want to be quartermaster is because I would like to avail myself to serve as Commander. Please give it some thought and if you are interested let me know so I can show you what you are getting into. We are also looking for a newsletter person since Joyce is no longer doing it.

“You’re the reason our kids are ugly!!”

Yes it is from an actual song but change it just a bit and see what happens.

Are you the reason our post is ugly?

Are you doing anything for your post?

Can you do anything for your post?
