2018 Dues are now due. Let's get them in early.
That way we don't have to play catch up at the end of our 2018 year.

Hoooooray! We all made it back safely from National Convention. All I can say was there was a LOT of walking. But the Auxiliary Meetings were good. The resolutions did not get finished before Connie and I had to leave. Our Department President will let us know what else passed. One thing that did not pass was the credit cards. There still will be NO credit cards in an auxiliary; the other thing was the hats. They will be the overseas or the ladies modified style. They will be blue like the shirts for both men and ladies. We may wear pins on the hats if we wish.

Auxiliary

The Auxiliary will have a car wash at Cat Fish Johns on August 4th from 8 until noon. This fundraiser needs dirty cars, trucks, Vans etc. come on out and get clean. The price is donations only.

After breakfast on August the 5th at 1pm the Post is having a Fish Fry. Everyone is invited.
Ladies we have been asked to bring sides for this.
Ya all come on out for some good fish and fun.
