

Agenda for meeting on Thursday 4th February 2016

1. People present
2. Apologies
3. Agree minutes from last meeting
4. Amendment of website and charity commission blurb:

It is proposed to amend our website and blurb on Charity Commission website to remove ‘/or’ from the following statement:

We organise activities, to enable children with special needs and/or their families and siblings

This will ensure that the activities we provide are reaching the children with special needs and spaces are not being taken by siblings when the special needs child is not attending. Siblings continue being welcome at all events when they accompany the child with special needs.

5. Age that babies start being booked in and paid for at activities:

We need to clarify what age the children need to be before they start being booked in and paid for at activities.

6. Code of Conduct addition:

To add to code of conduct that although parents must abide by our swimming ratios they must also make sure they are up to date and abiding by the ratios each pool has.

7. Fundraising/funding update
8. Any Other Business
9. Date of next meeting
