2. Parents /carers are responsible for their children at all times.
3. Parents/carers must accompany their children to the toilet to ensure their safety (the emergency exit is at the bottom of the stairs and is not locked) and the safety of others.
4. No smoking on or near the coaches.
5. No alcohol to be consumed or brought on to the coach.

10. Hot drinks may be drunk on the coach only if drunk from a cup with a lid.

12. Electronic gadgets can be left on the coach in the overhead storage (at your own risk, remaining your responsibility) as we know having these on a long journey can help our children to settle and cope.

14. Only air fresheners provided by Special Kids Bexhill can be used on the coaches due to allergies.
